**Coffees That Stands the Test**

You and many others dislike a cup of poor coffee. A housewife that makes good coffee, makes a pleasant household. Her success depends on the quality and flavor that she must use. We were careful when buying to select only the best quality and flavor and to secure such as would give satisfaction to our patrons. We believe we are doing so, but to those who have not tried our brands we here take pleasure in telling you what we have.
