of Ladies' and Misses' Jackets, this is not an idle boast, for we have the Jackets to show you, and will take pleasure in doing so.

Look at you Fashion Magazine, then come in and you will find we are showing the same styles of three quarters length Jackets.

We have the short ones also, which are much cheaper, but what Lady wants to wear an old style Jacket just because it is cheap, but as we have both kinds we can suit nearly everyone.

See our Nobby Line of Dress and Walking Skirts.
