TO CUSTOMERS AND FRIENDS OF THE

Forest Grove Shoe Store

We have the pleasure of presenting the shoe wearers a very large assortment of good substantial shoes and several reasons why it pays to patronize an exclusive line. If already a customer, we heartily thank you for your patronage and assure you we will use our best endeavors for a continuance of the same. If you have not traded with us, come and let us reason together, you can help me and I know I can help you. I could talk prices—but to understand prices you must see the goods and like the man behind the hoe, you must see whose and what's behind the shoes you buy.

1st. Because we handle but one line, and therefore have the goods to suit you better than mixed lines where no line is looked after more closely than another.

2d. Because our entire stock is new and right up to the latest, having no old styles or shop worn goods to offer you.

3d. Because we are exclusive agents for several of the best makes in the County, such as Dr. Reed's Cushion Soles, a shoe that is a boon to tired, aching feet; W. L. Douglas' famous (best in the world) \$3.00 and \$3.50. There are others but none so good. A. A. Cutter's logger with twenty other styles in high cut winter shoes (assortment equal to any city store in Oregon) New rubber goods. We handle four of the best makes that we can get and any of them are poor enough.

4th. Because we have no book accounts to look after, selling for cash we loose nothing by bad accounts. Prices for quality are not equaled.

5th. Because we understand the shoe business thoroughly and can (and will) give you as good value for your money as can be had. With these facts set before you and one of the best Shoe Stores in the Valley, we solicit an inspection of our claim. Thanking you in advance and trusting you will give us a call, we remain yours respectfully,

C. V. B. RUSSELL Of The Forest Grove Shoe Store
