

THE Progressive Store

The Progressive Store is always in the Lead in its Up-to-dateness, Variety and Quality of Stock, and with its change of management, can offer better values than ever before, and hence have no apologies to make.

We solicit the continuance of your patronage and assure you good treatment. The new management intends to keep pace with the wants of the people and will continually add to the already large stock.

Watrous & Allen Co.

Main Street, Forest Grove, Oregon
