**“It’s an ill wind that blows
nobody good.”**

Although we have not heard of any 20 Dollar Gold Pieces being blown down our streets during the recent high winds, still we are pleased to announce that we can save you Dollars if you Buy Your Shoes at Our Store. We have stated that the

Star Brand Shoes are the Best

Now we have positive proof of it as they were awarded the

Grand Prize

at the

St. Louis World's Fair

A Grand Prize is the highest award and this award covers the entire line of

STAR BRAND SHOES!

This decision was given by shoe experts from this and foreign countries, and hence stands Undisputed Before The world. Fortunately for us and for you, we have the Exclusive Sale of these Shoes in Forest Grove, and we guarantee to you that the prices are right.
