We Oregonians sometimes think we have more than our share of rain and true it often comes down copiously but other climes are also remembered by Jupiter Pluvius in the same way. During the recent storm that raged over Southern California, Abe Meresse, who is now in Los Angeles, wrote to

### The Time is Near

When everything pertaining to Spring be uppermost in our mind, you can not think of Spring without a feeling of relief in knowing that it is soon time to discard that big heavy Overcoat. That old Suit which the Overcoat has hidden will no doubt look to you as if it should also be put aside.

Now in shedding your feathers don't forget that there is one place where they are replaced with new ones.

The price is the lowest and the work is in every way the best. Do not feel that you are risking anything. The risk is all mine if I do not please you in every way.
