WILL SHOOT FOR CUP

Forest Grove Gun Club Presented With Silver Cup

Through the efforts of W. W. Goff, the Forest and Stream, Rod and Gun Club have been given a silver cup to add interest to their Thursday's and Sunday's shooting tournaments.

The cup which is given by Laffin & Rand, powder works of California, is shown in Goff Bros., hardware store window. The gun club members are highly elated over the securing of the cup for this city as there are only four given in the states of Oregon and Washington. Tacoma and Olympia each received a cup but it was not learned where the fourth was placed.

The gun club met Monday night at Roe & Buxton's store and drafted rules governing the contest for the cup, and are as follows:

Rules governing Laffin & Rand Trophy for 1905.

I. It shall be open to members of The Forest and Stream Rod and Gun Club only.

II. Any member to be eligible must shoot at least 200 shots on or before the last Sunday in September, 1905.

III. Handicap—Anyone shooting over 60 per cent, shall shoot from the 18 yard line. From 50 to 60 per cent, from the 16 yard line. From 50 per cent or less, from the 14 yard line.

IV. The member having the highest average on the last Sunday in September, shall have his name engraved on the cup, and hold same until opening of next season.

V. Any member winning it for three consecutive years shall retain it as his own.

VI. Ties shall be shot off from the 16 yard line with 25 birds.

Vegetables for the Fair.

We went over to Grant Hughes' store Tuesday afternoon to look at the vegetables, which are gathered there each week to be sent to the Washington County exhibit at the Fair. A nice collection had been made but the great drawback is that it was furnished by one or two persons, who have heretofore furnished a great deal for the exhibit and their supply is about exhausted. Therefore, we are requested to ask all persons who have anything that is suitable for the exhibit to bring it in or send word that it can be had, and thus aid in keeping the good name of Washington County up to the standard. The ladies in charge will greatly appreciate anything that will help. So look your farms and gardens over and bring in a good supply for next Tuesday.

Barn and Horses Burn

Friday afternoon the barn of Herman Braun, who resides at Hillside was burned to the ground together with a team of fine work horses, 60 tons of hay, wagon, harness and many other things. The cause is unknown as no one was near the barn when it was discovered to be in flames. Mr. Braun carried only \$100 insurance and the loss sustained will easily reach \$600. Mr. Braun and family have been residents of Hillside but a short time.

"A Case of Sour Grapes"

The proposition of E. W. Haines of Forest Grove, to furnish this city with light and water, was referred to the light and water committee. To a man up a tree it would appear as if this city had paid out money enough on its own plant to be able to furnish its power without the assistance of Forest Grove, or any other town.—Hillsboro Independent.

Executive Committee

Following is the Executive Committee of the Willamette Valley Development League, appointed by a conference of the leading members of the League at the Willamette Hotel in Salem, last Friday: Chas. Grissen, chairman, McMinnville; W. H. Hollis, Forest Grove; L. R. Stinson, Salem; W. P. Elmore, Brownsville; L. J. Simpson, North Bend.

NEW TRAIN PROPOSITION TURNED DOWN

A mass meeting was held in Eell's park last evening to consider the proposition from the S. P. company to put on an extra train which would make one round trip between here and Portland, was unanimously turned down.

The committee from the Board of Trade that was appointed to confer with the S. P. officials regarding a better service, thought that at least two trains extra, a day was what was needed. The chances now are good for no better service than before.
