## Old Curbstone's Sunday in Hades

Oh, what shall I do about gossip?  
I've come to the country today,  
The place is so piously quiet,  
I'm certain I'll die if I stay.

'Tis true there is plenty of sunshine,  
And life-giving air and good health;  
But nobody slanders his neighbor,  
And nothing is done here by stealth.

The table is simply abundant!  
My hostess is almost divine;  
The bed would delight any princess,  
But the house doesn't have any wine.

The hammock swings under the  
shade trees,  
Inviting to quiet and rest;  
The magazine's fresh with its stories,  
But for these I have not any zest.

The birds all about me are singing—  
I confess they give nature a  
charm—  
Tho' there's peace, contentment  
and comfort,  
The fact is I'm here on a farm!

Here's a trolley line reaching the  
city,  
Here's a library large and select;  
But of all these country enjoyments,  
There are none that I care to respect.

I'm told there's no country prize  
fighting,  
And Sunday baseball is unseen;  
When I speak of the city amuse-  
ments,  
I seem undisputably green.

So I'll return to the city to-morrow,

With its sky scrapers, noise and  
alarm;

There ev'ry satanic chick hatches;  
Only good incubates on the farm.  
KYUR HANZOFF.

## Woodmen Day at the Fair.

Saturday, August 5th, will be Wood-  
men of the World Day at the Lewis  
and Clark Exposition. On this occasion  
Portland will without doubt see the  
largest parade in her history, for the  
Woodmen are long on parades. Special  
excursion trains will be run into  
Portland from all over the Northwest  
and it is probable that the crowds will  
be the largest on that day of any dur-  
ing the Exposition.

—Goldenrod Flour \$1.10 per sack.

—Big stock of Hats at the Chicago  
Store.

—American made alarm clocks at  
Abbott & Son's at 65 cents.

—Money to loan on farm security.  
W. H. Hollis, Forest Grove.

—Finest line of men's and boy's  
shoes in the city at the Chicago Store.

—Dollar shirts at the Chicago Store  
can't be duplicated at any other store  
in the county.

—Neat neckwear at all prices at the  
Chicago Store, the only exclusive  
clothing in Washington County.

Don't neglect to have your property  
insured this dry weather. The Oregon  
Fire Relief Asso. will give the best  
protection for the least money. Call  
at this office.

This being an advertising trip to  
introduce a New Sytem of Treatment  
they will give to all commencing on  
above date Consultation, Examina-  
tion, Advice, and all Medicine  
necessary to complete a Cure—Ab-  
solutely Free.

It will only be expected of all  
patients taking advantage of this offer  
to state to their friends the result  
obtained by this new system of treat-  
ment. They treat ALL KINDS OF  
CHRONIC DISEASES AND DEFOR-  
MITIES.

It is very seldom that ailing people  
have the privilege of consulting such  
renowned specialists, who are in con-  
stant attendance, to wait upon you,  
diagnose your case, give you the bene-  
fit of their medical knowledge. There  
is no experimenting or guess work.  
You will be told whether you can be  
cured or not. If your case is curable  
they will treat you; if incurable, they  
will give such advise as to be beneficial  
to you.

They treat deafness with an entirely  
new method. Hearing restored to  
many at once. Catarah in all its  
varied forms cured so that it will  
never return, by breaking up the cold-  
catching tendency by ELECTRICAL  
INDUCTION of medicine.

Men suffering from General Nervous-  
ness, Weakness, Lost Memory,  
Strength, Weak Back, Kidney Trouble,  
Rheumatic Pains, Lumbago, Sciatica,  
Torpil Liver, Indigestion and Dyspe-  
sia here can find a cure that perma-  
nently restores them to their original  
strength and manhood without loading  
their stomach with poisonous medicine.

If you have weak lungs or consump-  
tion, do not fail to be examined.

Their new discovery of **kataphoresis**  
in paralysis, and all diseases of the  
nervous system, including EPILEPSY  
and ST. VIUS DANCE, is a Godsend  
to suffering humanity. Medical men  
stand amazed at the marvelous cures  
that are being effected wherever this  
system has been introduced. Thou-  
sands who have given up all hope of  
being cured now have an opportunity  
of a lifetime to consult without charge,  
doctors of a national reputation. Re-  
member their knowledge of medicine  
combined with electricity gives them  
control of diseases, that others do not  
possess. If you have weak eyes,  
headache, or dizziness, this new system  
will cure you quickly.

Don't fail to call on these eminent  
specialists, as a visit costs you nothing,  
and may save your life.

If you suspect kidney troubles, take  
a two-ounce vial of your urine for  
chemical and microscopical analysis.

Go early as their offices are always  
crowded. If you are improving under  
your family physician, do not go and  
take up their valuable time. They  
wish to give each one plenty of time  
but cannot listen to long stories not  
pertaining to your case. The rich and  
the poor alike treated.

Women who suffer from the many  
nervous derangements and ails peculiar  
to their sex quickly cured without an  
operation by this new method.

Out of five hundred cases of Rupture  
treated last year by their induction  
method there were cured 98 per cent  
without an operation or detention from  
business.

N. B.—Cancers, tumors, wens,  
goitres, all blood, skin and scalp dis-  
eases cured by this new method.

Piles cured in a short time without  
the knife. They make a specialty of

all chronic diseases peculiar to either  
sex, and cure where others fail. This  
is a treatment that can be used at  
home.

Remember, not one cent will be  
charged for all the medicine required  
to make a permanent cure to all those  
commencing their new system of treat-  
ment on this, their first and adver-  
tising trip.

NOTICE—Married ladies must be  
accompanied by their husbands.

Office Hours: 9 a. m. to 4 p. m.  
Regular visits made. Remember the  
Date and Location.

## THE DIP OF DEATH

A Thrilling Sensation in the Great  
Barnum & Baily Show.

It has been definitely announced  
that the Barnum & Bailey Greatest  
Show on Earth will exhibit in Portland  
on August 21 and 22.

The tremendous success of the  
circus in New York where the season  
was opened early in March has been  
duly heralded and the thousands of  
people who visited the show at Mad-  
ison Square Garden have been loud  
in their praise of the mammoth aggrega-  
tion and the same show replete with  
its many features of sensational great-  
ness, combined with its peerless pre-  
sentation of the world's most marvel-  
ous exhibitions, will be exhibited in  
its entirety wherever it is advertised to  
appear this season. The three rings,  
two stages, and immense hippodrome  
will serve to introduce a conclave of  
startling and stupendous acts, and the  
zoological display of the rarest wild  
beasts will add to the magnitude of  
the attraction. The Durbar of Del-  
hi, an exact presentation of the histor-  
ical jubilee in India, costumed in the  
most gorgeous styles, the congress of  
curiosities and the startling feat "The  
Dip of Death"—an act where a daring  
woman leaps the gap in an automobile,  
makes the show beyond a doubt, the  
unapproachable success of the season.

The Brothers Ancillotti, two young  
Frenchmen, attired in faultless even-  
ing dress, perform the thrilling feat of  
simultaneously looping and leaping the  
quadruple chasms—an act conceded  
by all to be the highest acme of nerve  
and fearlessness. The Lecusson Troupe  
in coach acrobatic work, and the Im-  
perial Viennese act of ten aerial trapeze  
performers are with this remarkable  
aggregation this season.

A very remarkable exhibition of the  
most meritorious nature, without an  
equal in the world for thrilling and  
daring, will be given free on the circus  
grounds before the big show opens.  
This is an entirely new idea with the  
"Greatest Show on Earth."

## OUR TREASURE IN KEATS.

His Poetry of Three Dimensions—  
Height, Breadth and Solidity.

In reading Keats one is struck with  
the wealth of his equipment, the solid  
qualities of his art, his soaring imagi-  
nation, his rare sense of beauty, his  
range of emotional response, his rich  
resources of language, and, not the  
least noteworthy, his capability of  
growth in taste. To consider what a  
poet thus endowed might have given  
to the world had he lived to the age of  
Shakespeare or Milton excites the  
mind almost to pain, so little short of  
miracle was his actual achievement.  
We believe there is no evidence that  
he wrote a line of verse after his twen-  
ty-fifth year, and he probably wrote  
little after his twenty-fourth, and yet  
what a glorious body of life and inspi-  
ration he has left! It is poetry of three  
dimensions—height, breadth and soli-  
dity. And yet, withal, it has arrowlike  
intensity—a quality of which he him-  
self said, "The excellence of every art  
is its intensity, capable of making all  
disagreeables evaporate from their be-  
ing in close relationship with truth and  
beauty."

His transcriptions of the classic into  
modern speech in "Hyperion" and "La-  
mia," the wonderful music and color of  
"The Eve of St. Agnes," the deft and  
eerie handling of ballad themes in  
"La Belle Dame sans Merci" and "Isa-  
bella; or, The Pot of Basil," the over-  
flowing dreaminess of midsummer in  
the "Ode to a Nightingale," the depth  
and lyric directness of such lines as  
"In a Dream Nighted December," and a  
whole anthology of noble sonnets in-  
terpreting life and nature—these are  
but a moiety of the overflowing stream  
of his passionate imaginings, for in  
him the intellectual and the emotional  
were kindly mixed. In the face of  
such a record of good work the faults  
of his earlier manner are not worth  
consideration.—Century.
