Read what Portland Telegram says about the Behnke-Walker Business College

AS SECOND PRIZES THE TELEGRAM OFFERS SIX MONTHS' SCHOLARSHIPS IN THE BEHNKE-WALKER BUSINESS COLLEGE OF PORTLAND. These scholarships were selected after considering many colleges, and were selected because The Telegram believes that the Behnke-Walker College offers the best opportunity to secure a business education of any college of its kind in the West. These scholarships are transferable and may be used, given away, or sold to any one in your district. ALL THE PRIZES OFFERED ARE TRANSFERABLE.

The above was clipped bodily from a two-column announcement by The Evening Telegram of a \$5000 prize contest it has just instituted to obtain new subscribers. This sweeping tribute was absolutely unsolicited. As ALL the business colleges of Portland use the advertising columns of The Telegram—the Behnke-Walker College being by no means the largest advertisers—the

sweeping nature of this indorsement came as a great surprise. It was in no sense a paid advertisement, but was the verdict of that great evening daily—its fair and impartial judgment after having investigated best business colleges in the west. Come to Portland—take advantage of this "best opportunity to secure a business education of any college of its kind in the West."

Write direct to Department 27, Behnke-Walker Business College, Portland, Ore., for Catalog.
