College Notes

Miss Eva Lund, ex-'07, is doing work as a deaconess in San Francisco. Her special duty now is missionary work among the Chinese and Japanese. Miss Lund says this is the most interesting as well as the hardest work she has done. Her field of work is in Chinatown where she calls at the homes to do personal work beside teaching in the Oriental Home for Orphans and Rescued Chinese Slave Girls. Miss Lund likes her work and says she is gradually becoming accustomed to the unpleasant conditions of Chinatown. Chinatown in San Francisco has about thirty thousand inhabitants. Miss Lund's parents reside in Cornelius.

Edward Knighten has filed in the county clerk's office papers in an action for divorce from his wife Hettie, alleging in his complaint that on the 10th day of April, 1895, he married Hettie Ward and they have ever since been husband and wife; that on October 1, 1904, she willfully and without cause deserted him and has ever since remained away, though he has requested her to return and live with him. He declares that he is possessed of no real estate in this, or any other state and that at the present time he has no personal property aside from his wearing apparel. He asks for judgment and a decree dissolving the bonds of matrimony existing between them.—Independent.

ORDINANCE NO 145

An Ordinance to Provide Fire Limits in the City of Forest Grove, Washington County, Oregon, and for the Construction, Removal and Repair of Buildings Within Said Limits.

The City of Forest Grove does ordain as follows:

Section 1.—The following boundaries, and the territory within said boundaries, are hereby established as the fire limits of the City of Forest Grove, Washington County, Oregon, to-wit: Commencing at the Northeast corner of Block No. 2 in said City as shown by the Recorded Plat of said City on file in the office of the Recorder of Conveyances for said County and State, and running thence West on the North line of said Block No. 2, 200 feet; thence South to the South line of said Block; thence East on said South line 200 feet to the Southeast corner thereof; thence North on the East line of said Block to the Northeast corner thereof, the place of beginning. Also the following described boundaries and the territory within said boundaries, to-wit: Beginning at the Southeast corner of Block 1 of Walker's Addition to the Town of Forest Grove, Washington County, Oregon, as shown by the recorded plat thereof in the office of the Recorder of Conveyances for said County and State, and running thence North 200 feet; thence West to the West line of said Block; thence South 200 feet; thence East to the place of beginning.

Section 2.—All outside or party walls of buildings hereafter built, constructed or placed within the boundaries described in Section One of this Ordinance, shall be constructed of brick, stone, or other non-combustible material, and no wood or other combustible material shall be placed nearer than four inches of the outside surface of said walls, except as hereinafter provided. The roof of all the buildings erected within said fire limits shall be composed of tin, slate, non-combustible composition, or other non-combustible material, and all outside walls or party walls shall extend at least two feet above the roof of said building except the walls at the rear of the building. Provided the requirements of Section One and of this section shall not apply to outside water closets or privies, and provided further that the City Council may in their discretion permit buildings to be erected of corrugated iron or other non-combustible material.

Section 3.—No person shall erect, construct or otherwise place within said fire limits any building or structure of any kind without first obtaining from the City Council of the City of Forest Grove a building permit.

Section 4.—Any person, persons, association, company or corporation, who may desire to construct, move or repair any building within the said fire limits, shall make application to the City Council at a regular or special meeting thereof, for such permit and shall be required to furnish and deposit with said City Council a written statement of the location, character, material out of which the building is to be constructed, the contract time for the completion of the work, together with a copy of the plans and specifications of the building.

The City Council shall make an investigation and inspection of the location of the proposed building and of the plans and specifications and within ten days after the application, issue such permit, provided the plans and specifications meet with the approval of the Council and said permit may provide for the use of a part of any street or alley for the purpose of placing the necessary building materials in front or rear of the proposed building site for a period not to exceed sixty days, but such permit shall not authorize the obstruction of any part of the sidewalks or gutter of any street or alley nor any crossings, nor more than one-third of the carriage way of the street or alley opposite the place where such building is proposed to be erected, re-built, moved, altered or repaired, and such permit shall also provide that said building material while it remains in any street or alley shall be carefully protected so that no damage to person or property shall be occasioned thereby. Any person to whom such a permit shall be granted shall be liable for damages caused to person or property by reason of such material being on the street or alley, and upon the completion of the construction or repair of any building or the expiration of the permit he shall cause all the material and all rubbish to be moved from such street or alley.

Section 5.—No wooden buildings shall be erected, constructed, enlarged or raised, within the limits as defined in Section One of this ordinance, and no wooden or frame buildings or structures covered with wood shall be

removed from any place without the said fire limits to any place within said fire limits, or from one place within said fire limits to another place within said fire limits, except that wooden buildings may be moved from the front of any lots within said fire limits to the rear of the same lots upon which said buildings stand; provided that the wooden buildings or structures, which shall be covered with iron and with roofs of the materials specified in Section Two of this ordinance and which shall be used only for storage purposes, may be constructed when permitted by the Council.

Section 6.—The owner or agent of the owner, shall not permit any wooden or frame building to remain within said fire limits after the same has been destroyed by fire to the extent of twenty per cent of the value thereof, except at the option of the Council, and if the same has been destroyed by fire beyond repair it shall be removed within thirty days, and after thirty days after giving notice by the City Marshal, each and every week, during which said structure destroyed by fire or partially destroyed by fire shall be permitted to remain, shall constitute a separate and distinct offense and violation of this ordinance, and such owner or agent of the owner, shall be liable to prosecution and to the penalties provided by this ordinance.

Section 7.—No manufactory or workshop or any business requiring a steam boiler shall be located or operated within the fire limits described in Section One of this Ordinance.

Section 8.—Any person who shall violate any of the provisions of this Ordinance shall, on conviction, be punished by a fine of not less than twenty dollars, and not more than one hundred dollars, or be imprisoned in the City jail of the City of Forest Grove, not more than twenty days or by both such fine and imprisonment in the discretion of the Court and in default of the payment of said fine shall be imprisoned in the City jail one day for every two dollars of such fine.

Section 9.—This ordinance shall be in full force and effect on and after the hour of twelve o'clock noon of the 15 day of November, 1905.

Section 10.—All ordinances and parts of ordinances in conflict herewith are hereby repealed.

Passed by the Common Council of the City of Forest Grove, Oregon, this 14 day of November, 1905, and approved by the Mayor of said City on the 14 day of October, 1905.

J. C. CLARK,
City Recorder.
