CHARLES V. GALLOWAY
YAMHILL COUNTY

DEMOCRATIC NOMINEE
REPRESENTATIVE IN CONGRESS

—Dr. C. L. Large reports a daughter born to Mr. and Mrs. Otto Parson of Gales Creek, on last Wednesday. That the new arrival is a girl, the parents are overjoyed as it is the first girl baby born to their family of eight children.

John W. Sewell, ex-sheriff and Democratic nominee for County Commissioner, was "mixing" with the natives of this vicinity, Tuesday evening. Mr. Sewell was sheriff for two successive terms and when out after office is a bad "mixer," i. e. for his opponent.

Daniel Baker Jr. who was employed in a wholesale drug house in San Francisco during the late catastrophe of that lamented city, arrived home Tuesday with tales of the after effects that add little to console to the stories of the first arrivals.

R. E. Austin has just returned from an extended trip to Mexico and Southern California. On his way back he visited the devastated city of San Francisco. He says the half has not been told of the destruction of life and property in that once rich and populous city.

The Odd Fellows at their last meeting elected John Brooks, W. K. Curtis and S. A. Walker to attend the Grand Lodge in Portland, May 23. Something unique and out of the ordinary run will be offered the people of Forest Grove on Friday, May 25, in the way of a burnt cork production, when the girls of Pacific University, who comprise the Kappa Delta Literary Society, will appear on the stage in minstrel make-ups. The society will endeavor to raise their quota of the Herrick Hall Fund in this way and an original and rare programme can be anticipated with a relish.

An interesting case is now up in the Multnomah County courts wherein the heirs to the Johnson estate, of whom C. N. Johnson of this city is one, are conducting an action against Wm. Ladd, administrator of the estate. Considerable testimony has been received and the character of Mr. Ladd's management is the main point at issue. The case will be closely followed by those who have been interested for years in the somewhat peculiar circumstances of this case.

Mr. A. Bennett, one of the best known weekly editors in the state, formerly editor and proprietor of the Irrigon Irrigator and composer of the Rabbitville Letters, will combine forces with Mr. R. G. Davenport and start a weekly paper in The Dalles, to be called The Dalles Optimist. Mr. Davenport is a printer of some note. The Optimist will not be established with the view of covering the news field, very efficiently accomplished already by the Chronicle, but will be published for the purpose of exploiting the industries, resources and opportunities of The Dalles and Wasco County. Its purposes and ambitions are very creditable and with the revival of the Rabbitville Correspondence, as is also promised, the first edition of The Dalles Optimist will be looked forward to with considerable interest.
