School Meeting

For the first time in the history of Forest Grove affairs, we have a lady school director in the person of Mrs. George Hancock. Mrs. Hancock was chosen for this position at the annual school election held last Monday afternoon. Mr. W. S. Hudson was elected to succeed himself as school clerk.

A good sized crowd of citizens was present and the women evidently had planned previously for their triumph, for they were in preponderance, and when acting chairman, I. K. Weitzel, called for nominations the candidate launched was Mrs. Geo. Hancock. Other candidates were: Thurston Buxton and J. E. Loomis. First ballot brought no election, but on the second the women launched their votes and Mrs. Hancock received the honor of being the first public school director in Forest Grove's history.

There was no opposition to Mr. Hudson. He has served the district faithfully and well for the last seven or eight years and the voters are glad to entrust him with the clerkship.

The annual school report was read showing that the average daily attendance has been 273 and the total number of books on hand 350. The receipts were \$8584.47 and total expenses \$5255.87 leaving a balance of \$3328.87 on hand.

Mr. Weitzel and A. G. Hoffman hold over as directors.
