The Song of the Hair

There are four verses. Verse 1. Ayer's Hair Vigor makes the hair grow. Verse 2. Ayer's Hair Vigor stops falling hair. Verse 3. Ayer's Hair Vigor cures dandruff. Verse 4. Ayer's Hair Vigor always restores color to gray hair. The chorus is sung by millions.

Before using Ayer's Hair Vigor I had very in and very poor hair. But I continued to the Vigor until my hair greatly improved every way. I have used it off and on for past ten years."—MRS. M. DRUMMOND, wark, N. J.

A continuous change in altitudes in mountainous regions, especially in the Swiss and Austrian Alps, has been noted by M. de Varigny, a Swiss geologist. Many villages in the Canton Valais and in the Bernese Oberland have been raised or lowered from twelve to thirty feet in the last six years, and the summits of mountains have undergone changes quite as great. The numerous slight earthquakes are suspected of being the chief cause of the phenomenon, or at least they accompany it, while they produce avalanches in number now increasing.

Touring Kansas Editor Tells of National Characteristics at Sea.

The German flag flies at the masthead of this ship. Last year we crossed on an English boat. There is lots of difference between Germans and Englishmen, and it sticks out in boats as well as elsewhere, says the editor of the Hutchinson News in telling of a trip to Europe. Wherever the German goes he has plenty to eat and drink and smoke. The principal occupation of a lot of stewards is wadding food are was lately exhibited on a screen ty. Dr. Gustave A. Elsengraeber, of St. Paul, Minn., says: "I have used your Castoria repeatedly in my practice with good results, and can recommend it as an excellent, mild and harmless remedy for children."

Dr. E. J. Dennis, of St. Louis, Mo., says: "I have used and prescribed your Castoria in my sanitarium and outside practice for a number of years and find it to be an excellent remedy for children."

Dr. S. A. Buchanan, of Philadelphia, Pa., says: "I have used your Castoria in the case of my own baby and find it pleasant to take, and have obtained excellent results from its use."

Dr. J. E. Simpson, of Chicago, Ill., says: "I have used your Castoria in cases of colic in children and have found it the best medicine of its kind on the market.' Dr. R. E. Eskildson, of Omaha, Neb., says: "I find your Castoria to be a

standard family remedy. It is the best thing for infants and children I have ever known and I recommend it." Dr. L. R. Robinson, of Kansas City, Mo., says: "Your Castoria certainly

has merit. Is not its age, its continued use by mothers through all these years, and the many attempts to imitate it, sufficient recommendation? What can a physician add? Leave it to the mothers." Dr. Edwin F. Pardee, of New York City, says: "For several years I have

recommended your Castoria and shall always continue to do so, as it has invariably produced beneficial results." Dr. N. B. Sizer, of Brooklyn, N. Y., says: "I object to what are called patent medicines, where maker alone knows what ingredients are put in
