THERE IS A REASON FOR THE

Popularity of the Behnke-Walker Business College—We do good work and our students are well qualified and as a result, well satisfied. A great business educator, after visiting ALL the business colleges, says:

"In classifying schools, I rank yours as one of the six leading business colleges of the country."

In this estimate he considered our unrivaled equipment, our progressive methods, our superior teachers, our unparalleled success in placing our graduates, and all that determines the merit of a business college. Send for catalogue.

"The other side of life"

The officials in the government offices at Portland have been notified that after November 1, the new funny-tik system of spelling must be observed.

A Philadelphia child has been christened Mozart, Beethoven, Liszt, Mendelssohn, and it will be just the father's luck to discover that there is music in the heir.

Every voter in the town of Hyden, Kentucky, forgot to register on the first Tuesday in October and consequently the town will not be able to cast any votes in the coming Congressional election. There must be something loose down in old Kentucky.

It's time to have a laugh! Tillamook is now afraid that Washington County will in the future deprive her of the fame of her only industry—the dairy business. Washington county is not standing still—all of her many industries are thriving and growing. The Tillamook editor will have to write a few more editorial squibs for the good of the "so-boss" in the future—for an increase of milk.

#### Pleasant Wedding Notice.

Miss Jennie Jones and Bob Henry were married at the Jones mansion last night. The bride is the daughter of our constable, Jones, who made a good officer, and will undoubtedly be re-elected next spring. He offers a fine horse for sale in another column. The groom runs a grocery store on Main street, and is a good patron of our advertising columns, and has a good line of bargains this week. All the summer he paid 2 cents more for butter than any other store in town. The happy couple left on the 10 o'clock train for Milwaukee to visit the bride's uncle, who is reported to have lots of money and Bright's disease. Bob certainly has an eye to business. —From the Coleeemee (N. C.) Banner.

#### Women Who Wear Well.

It is astounding how great a change a few years of married life often make in the appearance and disposition of many women. The freshness, the charm, the brilliance vanish like the bloom from a peach which is rudely handled. The matron is only a dim shadow, a faint echo of the charming maiden. There are two reasons for this change, ignorance and neglect. Few young women appreciate the shock to the system through the change which comes with marriage and motherhood. Many neglect to deal with the unpleasant pelvic drains and weaknesses which too often come with marriage and motherhood, not understanding that this secret drain is robbing the cheek of its freshness and the form of its fairness.  
 As surely as the general health suffers when there is derangement of the health of the delicate woman's organs, so surely when these organs are established in health the face and form at once witness to the fact in renewed complexion. Nearly a million women have found health and happiness in the use of Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well. Ingredients on label—contains no alcohol or harmful habit-forming drugs. Made wholly of those native, American, medicinal roots most highly recommended by leading medical authorities of all the several schools of practice for the cure of woman's peculiar ailments.  
 For nursing mothers, or for those broken-down in health by too frequent bearing of children, also for the expectant mothers, to prepare the system for the coming of baby and making its advent easy and almost painless, there is no medicine quite so good as "Favorite Prescription." It can do no harm in any condition of the system. It is a most potent invigorating tonic and strengthening nerve tonic adapted to woman's delicate system by a physician of large experience in the treatment of woman's peculiar ailments.  
 Dr. Pierce may be consulted by letter free of charge. Address Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y.
