

THE LEADING SCHOOL

THERE IS A REASON FOR THE

Popularity of the Behnke-Walker Business College—We do good work and our students are well qualified and as a result, well satisfied. A great business educator, after visiting ALL the business colleges, says:

"In classifying schools, I rank yours as one of the six leading business colleges of the country."

In this estimate he considered our unsurpassed equipment, our progressive methods, our superior teachers, our unparalleled success in placing our graduates, and all that determines the merit of a business college. Send for catalogue.

"The other side of life"

"Have patience" seems to be the watchword that has been adopted by some of our citizens who want "all the time there is."

The Delta county, Michigan, Indian who has just wedded Mary Kick-a-hole-in-the-Sky and acquired a mother-in-law Afraid-of-no-Man, may soon be in a position to understand why marriage is often a failure.

A young married man of this city came up town the other day with a stove pipe under his arm and wended his way to the tinnars as he wanted to have that article which is known to be of such a worry to the newly married man repaired. It seems that the young wife was putting up fruit when the stovepipe fell down and caused quite a stir with the fruit—in other words jarred the fruit.

Will it cost more to have one man do a job in 10 days than to have 10 men do the same job in one day?

This has been a puzzling conundrum to some of us during the last week and should some one solve this hard problem, we should be pleased to have them let us know about it. It seems that to some here that the faster the work is completed the greater the cost.

Grandpa Hoge will certainly have to practice a little "patience" these days since receiving the following telegram. Lincoln, Nebraska, October 25, 1906 —Grandpa, I came this morning Charles Walter Hoge.

What Next? is what most of us would say on reading the following:

"A mock marriage party was held at the residence of Mrs. R. P. Orr Tuesday evening in Hood River. A number of young ladies were present, but no gentlemen, the presence of the sterner sex being tabooed.

The fair bride was Miss Lillie Shutes, and the happy groom was Miss Fay Orr, who was properly garbed for the occasion. Miss Flo Orr acted in the capacity of stern parent, giving the bride away and Miss Gladys Hartley was best man. The ceremony was very touchingly performed by Miss Bessie Evans attired in the sombre hued garments which are looked upon as a necessary adjunct in tying the nuptial knot. Another young lady whose name we did not learn officiated in the capacity of usher.

After the ceremony the young couple were showered with rice flavored with a mixture of old shoes and all partook of refreshments provided for the occasion.

A feature of the mock wedding, not down on the schedule, was a charivari organized by a younger member of the household and which rounded out the affair in proper style.

The young ladies had a very merry evening and pronounced the make believe wedding a decided success as a fun maker.—Hood River Glacier.

HAVE YOU SENT YOUR DOLLAR?

TO REPUBLICANS:

We are anxious to have every Republican in close touch, and working in harmony with the Republican National Congressional Committee in favor of the election of a Republican Congress.

The Congressional campaign must be based on the administrative and legislative record of the party, and, that being so, Theodore Roosevelt's personality must be a central figure and his achievements a central thought in the campaign.

We desire to maintain the work of this campaign with popular subscriptions of One Dollar each from Republicans. To each subscriber we will send the Republican National Campaign Text Book and all documents issued by the Committee.

Help us achieve a great victory. JAMES S. SHERMAN, Chairman, P. O. Box 2036, New York

A Lazy Liver

May be only a tired liver, or a starved liver. It would be a stupid as well as a savage thing to beat a weary or starved man because he lagged in his work. So in treating the lagging, torpid liver it is a great mistake to lash it with strong drastic drugs. A torpid liver is but an indication of an ill-nourished, enfeebled body whose organs are weary with over work. Start with the stomach and allied organs of digestion and nutrition. Put them in working order and see how quickly your liver will become active. Dr. Pierce's Golden Medical Discovery has made many marvelous cures of "liver trouble" by its wonderful control of the organs of digestion and nutrition. It restores the normal activity of the stomach, increases the secretions of the blood-making glands, cleanses the system from poisonous accumulations, and so relieves the liver of the burdens imposed upon it by the defection of other organs.

If you have bitter or bad taste in the morning, poor or variable appetite, coated tongue, foul breath, constipated or irregular bowels, feel weak, easily tired, dependent, frequent headaches, pain or distress, "small of back," gnawing or distressed feeling in stomach, perhaps nausea, "acid indigestion," "ridges" in throat after eating, and kindred symptoms of weak stomach and torpid liver, Dr. Pierce's Golden Medical Discovery will relieve you more rapidly of all your troubles than any other medicine. It is a safe, non-secret, non-alcoholic, is a glyceric extract of native medicinal roots with a full list of its ingredients printed on each bottle-wrapper and attested under oath. Its ingredients are endorsed and extolled by the most eminent medical writers of the age and are recommended to cure the diseases for which it is advised.

Don't accept a substitute of unknown composition for this non-secret MEDICINE OF KNOWN COMPOSITION.
