FOREST GROVE ..... OREGON

A Resume of the Less Important but Not Less Interesting Events of the Past Week.

President Roosevelt has nearly reached Panama

Witte has returned to Russia and will visit the czar.

Attorney General Moody has ordered a rigid enforcement of the eight-hour law

It is probable a force of 1,000 marines will be kept in Cuba for some time.

Philadelphia Jews will honor the late John Hay by placing a memorial window in their synagogue.

The Chicago city attorney accuses the Pullman company of bribing judges, congressmen and other officials.

A desperate battle with knives between soldiers at Cheyenne to settle an old fued placed five men in the hospital.

The fortieth annual session of the National Grange, held at Denver, declared for parcels post and national good roads

A desperate negro at Asheville, N. C., shot and killed four men in a successful attempt to escape arrest. Armed men are searching for him.

Secretary Metcalf has expressed the opinion that the treaty between the United States and Japan guarantees education to Japanese children in our public schools without discrimination.

Cuban liberals are divided on account of friendship with America.

A dirigible balloon sent up from the Milan exposition crossed the Alps safely.

A new plague has caused 12 deaths in a small Texas town, and doctors are unable to control it.

It is reported that King Alfonso cf report cannot be verified.

Wireless messages state that the presidential party is off the Florida coast and enjoying fine weather.

The wrecking of the Milwaukee Avenue bank of Chicago was re enacted on the stage in Chicago and nearly caused a riot.

Sceintists have made arrangements with the Italian government to complete the excavation of the ancient Roman city of Herculaneum.

The Forestry bureau of the United States has failed in its efforts to compel the railroads to use oil for fuel on engines passing through forest reserves.

The boiler of a Southern Pacific pas-

# GRABBING UP OIL LAND.

Federal Authorities Take Cognizance of Action of Standard Oil.

San Francisco, Nov. 14 .- The Call oday says: It became known in Federal circles yesterday that recent locations of land in Kern county by agents of the Standard Oil company have been Large and Well-Defined Ledge Discov- La Grande Factory Will Turn Out Over made the subject of investigation by government officials. As a result it is

asserted indictments will follow. The land was taken up by the petroleum combine, ostensibly for the gypsum deposits, but in reality for oil purposes. That the character of the land had been carefully studied is shown by the fact that a flowing oil well has already been developed.

The inquiry is being made through the office of United States Attorney Devlin, of San Francisco., Federal agents have been at work for several parties. weeks in Kern county. From their preliminary reports it is beileved that the manner in which the land was secured will warrant indictments on the

part of the Federal grand jury. The information secured by these agents will be placed in the hands of Washington to the attorney general.

# SELL NO MORE ALASKA COAL.

#### Government Stops Sale Pending Action on Leasing Bill,

order withdrawing from entry all publand it affected no one knows; indeed, are hopeful that they will soon get re-lief. They are running full capacity

But this general order will shut off all plants. entries of land known to contain coal. It is issued in line with the policy receently adopted in the states, and will Five-Horsepower Plant Opens New Era tra.

prevent wealthy corporations from cornering Alaska's coal resources.

It is probable that further efforts will be made to secure legislation repealing the coal land law and substituting a law which authorizes the government to lease its coal lands.

A tract of 1,700 acres north of Valdez, Alaska, lying on the glacial flats Spain has been assassinated, but the below the Valdez glacier, has been set apart as a rifle range for the use of

troops at Fort Liscum.

# PLANTERS SHORT OF LABOR,

### Cuban Sugar Men Ask Magoon to Aid Immigration.

Hayana, Nov. 14 .- Certain members of the Agrarian league, which is composed of prominent planters, accompanied by a number of steamship

nor Magoon today on the question of the probable scarcity of labor in the
