#### The Need of a City Hall.

The News has often mentioned the seed of a new city hall for Forest Grove, to take the place of the old ioneer affair that is now being used for the purposes of the city officers, ial and the fire department. Some of the business men have seen the need of such for they have found out for themselves that the present building s ar too small to accommodate the different departments of the city. last week's council meeting proved he council men there was present a handful of townspeople to hear the poceedings of the meeting. The sajority had to stand up in every comer of available space that could be and. The fire department is crowdedout and ought to have a special nom for themselves.
