LAME EVERY MORNING

A Bad Back Is Always Worse in the Morning. Forest Grove People are Finding Relief.

A back that aches all day and causes discomfort at night is usually worse in the morning. Makes you feel as if you hadn't slept at all.

Can't cure a bad back until you cure the kidneys. Doan's Kidney the hammock lay a girl. There was Pills cure sick kidneys-make you feel better, work better, rest better and sleep better.

I. N. Ridgeway, with the Oregon Nursery Company and living at 205 Commercial St., Salem, Or., Says: "I knew I had kidney trouble because there were pains in the small of my back and twinges when I stooped or lifted. Even a night the painwere still there and mornings I arose lame and sore. I fired easily and felt languid and was sometimes dreadfully nervous. Occasionally I had headsches and at such times my sight would be blurred. There was also a sediment in the accretions. My experience proved that Doan's Kidney Pills have no superior for curing kidney complaint and backsche. They are just the thing every sufferer from these troubles should use. Nothing oould have suited my case better. They went right to the seat of the trouble and completely relieved me. Doan's Kidney Pills have my endorsement."
