### Musical Course at P. U.

Edward Baxter Perry is the greatest American pianist. He has given over twelve hundred concerts in the last ten years. He has appeared in Germany with the greatest success and is the only American pianist who has played at the Imperial court in Germany. Mr. Perry, before playing each piece, gives a short analysis of the number, tells the story, then plays the piece. He is said to have much talent in his lecture work as well as in his playing. He is as well known in Europe as in America and has won his laurels in the great art centers—Mr. Perry is the greatest pianist coming to the Northwest this year and the greatest pianist ever booked for Forest Grove. It is hoped that the size of the audience for Mr. Perry will be in proportion to his worth artistically.

Mrs. Pauline Miller-Chapman, mezzo-soprano-dramatic, gives the first recital in the College Music Course. This will be Mrs. Chapman's only appearance in concert in Forest Grove this year. Mrs. Chapman has made a wonderful advance in her Lieder and aria work—which work is her specialty. Mrs. Chapman will largely repeat the program she gave in the large Mozart hall in Berlin—on which occasion she received such notices from critics as vouchsafed to but very few in Berlin. It was on this occasion that Mrs. Chapman received the large Laurel wreath from her "musical friends and admirers in Berlin." It is hoped the program, no number of which has been presented by Mrs. Chapman in Oregon, will be as pleasing to the people of Forest Grove as it was to the musicians in Europe. Mrs. Chapman has a rich mezzo soprano, considered in Germany the most beautiful voice, and for which they pay the highest prices. Edith Walker, mezzo-soprano of Hamburg, another and earlier pupil of Prof. Lamperti receives the highest price of any opera singer in Germany. A more extended notice will be given later of Mrs. Mary Elizabeth Cheney, the New York soprano, and the other artists who appear in the music course.

Mrs. Chapman's recital comes in the middle of November, Mr. Perry's lecture piano recital, December 20.

Mr. Hermon Witham of the University has the business management in his charge and should be seen for course tickets.

—J. P. Vanderzanden, the City Restaurant man. 13t4.

Miss Luce will have charge of the class until her mother returns and then Mrs. Luce will teach until the end of the College semester as Miss Luce is attending the University and wishes to finish this semester's work.
