### NO MORE DARKNESS

A New Gas Plant Has Been Installed at Herrick Hall

One of the most important additions to be added to the equipment of the University is the gas machine which the Automatic Gas Light Co. of Portland, has just installed at the east side of the new Herrick Hall.

This machine is of the automatic type and is by far the largest one in use in the state. It has a capacity of 500 lights of 80 candle power each and will produce 1000 feet of gas from three gallons of gasoline. The gas is of a very high quality, having over one-third more units of heat and a greater candle power than the ordinary coal gas. It burns in open grate and stove without giving off the offensive odor of other gases and as it contains no carbon monoxide, there is no danger of asphyxiation.

Besides furnishing gas for the kitchen range and light for every room in the Ladies Hall, the machine will supply the science building and Brighton chapel. The lights have been in use for the past two weeks and have been satisfactory in every respect. The evenness and brightness with which they burn make them an ideal light for students.

We thoroughly believe in the present values of Oregon land. But if you **WANT to SELL** LIST your place with US.

We have a large acquaintance east and are now figuring on a colonization scheme. Will want at least 1000 acres. Call and we will explain.  
**OREGON LAND CO.**  
Forest Grove Oregon

### STATE UNIVERSITY VICTORS

Defeats Pacific By Large Score--Seven Hundred Spectators Witness Game.

Before a large crowd of spectators Pacific University's foot-ball team met a severe defeat by the University of Oregon boys on Kincaid field Saturday afternoon. It was evident from the start that Oregon's superior strength lay with her immense weight and good team work. The State University outweighed P. U. twenty pounds to the man.

Captain Moores netted large gains for Eugene; several times he made runs of sixty yards. Their interference was excellent. Full-back Clark was the best individual player for U. of O. Time and again he made yardage when it looked impossible. P. U. was beaten and beaten badly but at no time did Pacific's men not try to do their best. Captain Waterman was disabled in the first half but would not leave the field until time was called and the game was over. Although Oregon weighed one hundred and seventy-two pounds to the man while Pacific's average weight was one hundred and fifty, yet P. U. never lost spirit. Eugene's ranks were often filled with new men and so kept the team fresh to play fast ball. Pacific's team remained practically the same throughout the entire game.

Pacific has no complaint to register against Oregon and her treatment of P. U.'s foot-ball team. Mr. Hug, a graduate and the famous center on Oregon's team of last year, gave Pacific a square deal in every way in umpiring the game. When time was called the score stood 52 to 0 in favor of Eugene.

James Richard Ward President--Elected Friday by Student Body.

The annual election of the student body, which took place Friday, resulted in a victory for the Progressive ticket. The election was watched with

much interest by the older students, but was not participated in by a good many of the lower classmen of the Academy, who were unacquainted with most of the candidates. When the ballots were counted the Progressive ticket had received 68 votes to the Square Deal ticket 65, this being one of the closest contests ever recorded for this office. James Richard Ward was born in Nebraska in 1882, emigrated with his parents to Kelso, Wash. in 1894. Mr. Ward entered Pacific University with the class of '08 in its second year in the Academy. Mr. Ward has always taken a great interest in student body affairs. For the past five years he has been a member of P. U.'s Foot-ball team. Last year Mr. Ward won honors on the Track. Not only in athletic lines has Mr. Ward taken an active part, but three years ago he led his society team to victory in an intersociety debate. Last year he was one of the strongest debaters that Pacific sent against Whitman. Mr. Ward is to be congratulated, especially from the fact that his opponent, Mr. Humphreys, is a universal favorite among the students and who put up a strong bid for the office being beaten by only three votes. The other officers elected were: Martha Holmes, vice president; Helen Bollinger, secretary; William Gwynn, treasurer.

### College Notes.

Mrs. Cook visited in Portland over Sunday.  
Miss Margaret Bowie and Miss Ruth Fitch spent Sunday in Cornelius.  
Miss Judith Scott of Portland was the guest of Miss Stearns last week.  
Misses Paine and Leabo entertained the Freshmen class Tuesday evening.
