### CONCERT COURSE OPENS.

Mrs. Pauline Miller-Chapman Appears in Marsh Hall November 14.

The first of the series of concerts by the Conservatory will be given by Mrs. Pauline Miller-Chapman on Nov. 14 in Marsh Hall. This will be Mrs. Chapman's first concert since her return from Europe where she studied under the famous Lamperti of Berlin and other notable instructors.

It is safe to say that no American soloist has ever received so marked attention from the public as Mrs. Chapman and her splendid success in Berlin obtained for her the highest testimony from the ablest critics in Europe. The following testimonials substantiate this fact:

"Mrs. Pauline Miller-Chapman, who made several very important engagements in Berlin this season with pronounced success, is a dramatic soprano, with a beautiful, rich, sympathetic—yes, glorious and perfectly trained—voice. Being by nature endowed with a very artistic temperament, her interpretations of the master works of vocal literature are a delight to the musical connoisseur. Mrs. Chapman would certainly prove a great acquisition to any musical organization of importance in search of a wonderful soloist and I should be very happy if these lines in a measure aid the artist in her musical career.—Joseph Gahn, Berlin, April 30, 1907.

Berlin, April 20, 1907.—I herewith declare by my writing that Madam Chapman has studied under my direction for some time. I find her a true and very able singer, possessing a most

beautiful voice of mezzo-soprano."—Prof. G. B. Lamperti.

### KAPPA DELTA ENTERTAINMENT

Miss Pollock and Others Will Appear in Recital Here Nov. 4.

Plans are being laid for a very interesting entertainment to be given on the evening of Nov. 4 under the auspices of the Kappa Delta society. Miss May Pollock has been secured to give a recital. Miss Pollock is a graduate of the Chicago School of Expression and is very talented. She will be aided by Miss Ethel Lytle who is prominent in Portland's musical circles. Miss Lytle has a beautiful contralto voice. Miss Sheeby has consented to be Miss Lytle's accompanist so the Kappa Delta society feels that that the evening will be a success.

Tickets will be placed on sale at the Bazaar this week. The place of entertainment will be announced later. The Albany Herald speaks words of praise for Miss Pollock which says: "The First Presbyterian church was filled last evening to hear Miss May Pollock read. This was the first appearance of the talented reader in this city since her departure for the east several years ago. Her selections were of the highest order and the audience was highly pleased with each number. Miss Pollock has a full voice, well cultivated and with her charming personality endears herself to all.

### NEW GYMNASIUM FOR PACIFIC

Students Call for Aid From Alumni and Former Students. Circular Letter.

At a meeting of the Student Body in the spring term—a movement was started to secure money for a new gymnasium. During the summer nothing was done to push this enterprise as students could not neglect their work. This undertaking will now be carried forward as circumstances will permit. The student committee has prepared a circular letter which set forth the needs of the school in athletic lines. This letter will be sent to the Alumni and friends of the University.

Forest Grove, Ore., Oct. 28, 1907. To the Alumni and former Students of Pacific University.

It is a recognized fact that the best type of College graduate is the one who has been developed along all possible lines of education. Not only the mind but also the body must be trained in order that the brain may better do its work. Pacific University has always promoted athletics with good results. At present however, the

students are greatly handicapped on account of the poor Gymnasium. The present building is old and entirely inadequate.

In a student-body meeting held during the last term the proposition of erecting a new Gymnasium was presented and discussed. Much enthusiasm was shown, and the three upper classes immediately pledged One Hundred and Seventy Dollars. The Trustees have also made a donation of about Three Thousand Dollars in property. The plans for the new building which will be of brick, have already been laid. Besides being large and commodious the equipment is to be modern in every detail. A most valuable feature will be a swimming tank 60x40. The structure will cost in the neighborhood of \$15,000.

We, the students of Pacific University, being zealous for the growth of our college and desirous of promoting clean athletic, ask you to co-operate with us in the erection of the proposed structure. If this circular should fall into the hands of any person who thinks that the students are enlisted in a good cause and feels that he would like to help swell the Gymnasium fund, any aid from such a person would be greatly appreciated by the students of Pacific University.

Respectfully submitted by The Student Committee

### PHILOMATHEANS ENTERTAIN

The largest and most enjoyable society function, held so far this year, occurred last Friday evening, when the young ladies of the Philomathean Society entertained at the home of Rev. and Mrs. C. F. Clapp.

The Philo girls have always had the

reputation for being right royal entertainers, and those who were fortunate in receiving invitations will without doubt remember for many a day the good time and unique entertainment of last Friday evening.

The spacious parlors were decorated with autumn leaves and in the corners were decorations representing six phases of life in different parts of the world, viz: "Western Life," "Life in the South Sea Islands," "Life in Egypt," "College Life," "Newport Society" and "Life Among the Icebergs."

The main feature of entertainment was the writing and reading of romances in which students figured as the chief characters. The guests were divided into groups of six and each division was told to write a story in which a girl and boy whose names had been given out at random, were prominent. The groups were each given appropriate settings for their tales and the characters were given fictitious names. The reading of these stories afforded great amusement, especially when the audience was asked to guess the real names of the heroes and heroines. The romance of the South Sea Islands was quite successful in provoking laughter, at the point when the fiery little missionary attacks the gallant Frenchman wrecked on the coast. The Indian story relating the adventures of "Giggig-dew-drops" and chief "Noise-in-the-feet," also proved very popular. There was a series of unique love letters steeped in seal blubber and icicle showers of Norway and Siberia; an Egyptian story in which a pair of ancient lovers reappear to endure their woes again; a racy story of western life with cowboys, pistols, "squirts" and the like; a spicy bit of society scandal introducing us to high life; and the program was fittingly closed with the happy beginnings of a college romance.

The guests then repaired, by a round-about way, to Philo hall where they imbibed in a delicious feast of ice cream and cake. The hall was beautifully decorated with maple leaves and sweet briar. After the refreshments were served, college songs were sung and at a late hour the jolly party disbanded.
