

SILICA SAND IS WANTED

\$100 Cash If You Discover a Good Mine.

ONE HUNDRED TONS A MONTH

Capitalists Are Investigating Pacific Coast and Will Pay Highly for the Product.

Portland, Ore., December 30, '07. To the Editor:

You have printed articles at different times relative to the discovery of large bodies of silica sand, and the Oregon Development League desires to present \$100 to any reader of your paper or any citizen of Oregon, Washington, Idaho, Montana or California who will find this sand to fill the requirements demanded by the Columbia Steel Works of this city, who have made this offer through the League:

"We will take one hundred tons each month of silica sand, 96 per cent pure silica and free from iron oxides, delivered at Portland at not to exceed \$6 per ton, and we will pay \$100 in cash to the discoverer."

Silica sand is now being shipped to Portland and other iron and steel manufacturing centers of the Pacific Coast from Minnesota. It has been frequently reported that large quantities of pure silica have been discovered, and the community that "makes good" in this instance has a greater source of revenue than gold or copper mines, lumber mills or factories of any kind, for when a dependable quality of silica sand is found in quantities sufficient to supply the demand, all the iron works from the Gulf of California to Alaska, and from the Rocky Mountains west, will be customers. It may just as well be given to the public now as later that the steel trust and another combination of multimillionaires engaged in the production of iron and steel are investigating different points on the Pacific Coast with the idea of building another Pittsburgh.

Don't worry about the present freight rate. The discovery of a large of silica sand would make a low rate necessary—remember that the sand now comes from Minnesota. This is your opportunity. Send a sample to your nearest assayer to be sure you have the goods.

DON'T EXPERIMENT

You Will Make No Mistake if You Follow This Forest Grove Citizen's Advice.

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in Forest Grove. Follow the advice of a Forest Grove citizen and be cured yourself.

Mrs. M. E. Dille, living on Main St., Forest Grove, Ore., says: "My husband had complained of his back hurting him for some time. He was so lame and stiff at times that he could hardly get around. The pains seemed to be more severe at night and greatly interfered with his rest. Added to the severe pains, was a disordered condition of his kidneys and he was greatly annoyed by the too frequent action of the secretions. After using many remedies without results, he tried Doan's Kidney Pills, and in a short time he was greatly relieved. He is glad to give them his recommendation."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their resultants, as bronchial, throat and lung disease (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherrybark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Frazar, of the Univ. of Pa.; Prof. Finley, of Chicago; Prof. Bennett, of Chicago; Prof. John King, M. D., of Cincinnati; Prof. John M. Scudder, M. D., of Cincinnati; Prof. Edwin M. Hays, M. D., of Hahnemann Med. College, Chicago, and scores of other equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine that has been through a rigorous test for its purity and has any such professional endorsement—worth more than any number of ordinary testimonials. Open publicity of its formula is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit-forming drugs and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful agent in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native, medicinal roots and is safe and reliable. A booklet of extracts from eminent, medical authorities, endorsing its merits, is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

"What are the bugles blowing for?" Said Bach'lor on parade: "It's New Year Day, its New Year Day," The Woman Hater said. "What makes you look so white, so white?" Said Bach'lor on parade: "I'm dreading what we've got to face," The Woman Hater said. "For Year Year is upon us, And the girls will use a wire, They'll hook us like a poodle When the licenses expire, An' they'll dump us in the wagon An' we're off to find a squire, For they're laying for the bach'lor In the mornin'."

The big bet for this month will be The Atlantic fleet will approach the Horn with a bent spy-glass, looking around for Japs. "O, Hell," whispered in Uncle Joe Cannon's ear, will be the pass-word to get anything before Congress. Japan will have a slack month at the Nagasaki navy yards, and build only twenty-seven more war ships. The guess on Roosevelt's future for this month will be that he will become a Congressman after he leaves the White House, and will go into the ring with Williams and DeArmond. Mr. Bryan will walk around the Democratic nomination with a hammer, to see if there is any place where he could nail it down. Money will continue shy, rising out of range and flying eight miles. Mr. Dawson will put his mask on and go back into the game, jobs will continue to run when they see you coming, and sometime during the month Mr. Morgan will decide whether he has all the money he wants now, or if he will continue the panic.

After the 20th we shall be under the influence of Aquarius the water carrier, the eleventh sign of the Zodiac. Under this favorable sign, Prohibition will establish about eighty more storm centers, booze will run another mile in nothing south of the Mason & Dixon line, and Carrie Nation will work with a hatchet in each hand. To quote an Omar of the Oklahoma desert.

Hush little bar-room, Don't you cry— You'll be a drug store By and by.

January was named after Janus Bifrons, known as "Two-Faced Janus." He was the originator of what is known as "the politician's life-saver." A wave of prohibition was sweeping Rome, and Bifrons, a candidate for the Senate, had to declare himself one way or the other to every third man he met. But he was a foxy Dago, and when he was asked, "Do you drink, Bifrons?" he would slyly ask in return, "Is this an invitation, or do you just want to know?"

Another year (mark well the rhyme) Has joined the Host of Father Time. A few more solid banks will burst To many trusting one's disgust. The widow recently bereft Will pop the question right and left, And luckless man, of Leap Year bust, Will scramble for the tall uncut.

The sport in Congress will consist of

battles with the horny fist, the gentleman Missouri bred will call some one a noodle head; they'll clinch and bite each other's cheek, the frightened galleries will shriek, the speaker will get out a gun, the man from Arkansas will run, the sergeant will bolt through a door, the fight will spread upon the floor, the clerk will climb the chaplain's back, and the air will sound with Biff and Whack, the War Department will turn out, the Senate will get in the bout, and Fairbanks with triumphant cry, will black Ben Tiltman's other eye; the president will get his hat, his boxing gloves and trusty bat, and will exclaim on coming back, "All's quiet on the Po-to-mack!"

After that we shall have very pleasant weather. The moon will be full on the 18th, and persons we never heard of will be mentioned for vice president. The Fish-Harriman fight will go into the tenth round, and Mr. Fish will complain to The Hague tribunal that Mr. Harriman is using knucks. General Funston, on guard at Goldfield, will appeal to Secretary Metcalf to transfer him to Washington, where the fighting is going on; Christmas presents will be exchanged for something you want, and Japan, hearing that the fleet is to keep right on across the Pacific, will move over on the mainland and dig cyclone cellars.

Persons born in January have cold feet, and do not play poker. If they are born under the influence of Aquarius the water carrier, they will vote dry. They are very ingenious, and know how to turn the gas meter back. They have large families and small incomes. They are good at figures and can tell you whether a woman's shape is real or excelsior. They are slow to marry, but can get a divorce as quick as anybody. They are very shrewd in money matters, and never give their wives the money.

Don't answer the doorbell this month. It's a book agent. Keep the silverware under the coal pile. If you come home late at night, look out for highwaymen, and walk in the middle of the street, as the policeman does. Don't write love letters. She will save them.

The trusts will continue to show us where to head in, and Congress will vote our money like it was their's. The fashionable wintering places for the month will be Southern California and the Florida coast, and all trains bound to those points will be loaded with plasterers and bricklayers, with their families.

And then the short lived month of February, when woman will complete her web, and fooling man will buzz about until the spider dashes out and nails him neatly to the mast for so long as his life shall last.

But notwithstanding Leap Year's tricks And maid's and wiv'ers' weeds, And though our hard luck comes along Just like a string of beads, Cheer up, cheer up! It's not so bad With us as 'tis with Ted, Who had to come to it and knock His third term in the head.

IF YOU ARE OUT OF WORK, or have spare time, you should get our proposition. No mail order scheme, but a clean straight business, at which others are making money, with no competition. The first acceptable applicant gets your territory. Write today, tomorrow it may be too late. Particulars free. Dominocards Co., 1807 Chouteau, St. Louis, Mo.

Here is a simple home-made mixture as given by an eminent authority on Kidney diseases, who makes the statement in a New York daily newspaper, that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the recipe; try it:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

A well known druggist here in town is authority that these ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure the Rheumatism by forcing the Kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter, which causes these afflictions. Try it if you aren't well. Save the prescription.

Notice to Fruit Growers in Washington County.

The Fruit Inspector of this county has found that almost all trees are infested with fruit pests and the law requires the owners or persons having possession thereof to destroy or eradicate such orchards or pests. You are therefore notified that unless such orchards or pests are destroyed or eradicated before the first day of March, 1908, I will proceed under the law to either cut down or destroy such orchards or have the trees sprayed at the owners expense.
