GAMMA'S ROYAL BANQUETERS.

Fifth Annual Banquet at Colonial. An Elaborate Spread. Good program. Forty People Present.

The fifth annual banquet of the Gamma Sigma Literary Society was held Friday evening immediately after the Academy Tryout. With the exception of the first banquet five years ago which was held in Vert's Hall, the Colonial Hotel has been the scene of these festive occasions; at each banquet, the Gammas have proved themselves very royal hosts. During the fore part of the evening Miss Hartley sang "If I Were a Rose;" Miss Sewell played, and Mr. Koch sang "Troubadour." All responded very graciously to hearty encores. After this short program, the guests adjourned to the dining room, whose walls were covered with pennants of colors; ferns also were used in the decorations. The place cards and menus were very neat, each showing a great deal of artistic taste. After each one had done justice to a well prepared banquet, Mr. Peters, who acted as Toastmaster, with a good supply of Irish stories and wit introduced the Toasters. A note of loyalty, not only to Gamma Sigma Society, but also to Pacific, was evident in each Toast. The Toasts were as follows: Gammas Today by S. B. Lawrence; Heads—Wise and Otherwise, R. A. Imlay; Ye Olden Days, Horace Thomas; Skates—Both Roller and Other, A. C. Allen; Hearts and Valentines, H. W. Sparks. Prof. Cook responded to a Toast in behalf of the Faculty. Mr. Koch read regrets from several former members, and also from President and Mrs. Ferrin, who were unable to be present on account of illness in the family.

At a very early hour the guests departed, each feeling amply repaid for the time spent.

The guests present were, Misses Allworth, Abernethy, M. Abernethy, Bowie, Bollinger, Chalmers, Chandler, Fitch, Hartley, Hoffman, Ireland, Lake, McDonald, Peterson, Rasmusen, Stearns, Sewell, Shannon, Whealdon, Wilson, Messrs. Allen, Cook, Child, Denny, Gardner, Hahn, Humphreys, Hills, Imlay, Jensen, Koch, Lawrence, McCoy, Mills, Peters, Robinson, A. Robinson, Sparks, Smith, Weathered.

Joint Meeting Y. W. and Y. M. C. A.

The Universal day of Prayer was observed by the Y. W. and Y. M. C. A. in joint meeting on Sunday afternoon, Feb. 9. About seventy were present and it is said to be the best joint meeting which has been held for some time.

Prof. Taylor led the meeting and in his usual earnest manner called attention to the foreign missionary work and the need of our interest, support and prayer. Then the home missionary work was briefly touched. Again the necessity of prayer for ourselves and our fellow students was pointed out. The prevailing thought of the meeting was prayer, and a good part of the time spent in prayer for students, both at home and in other countries.

The meeting was very helpful and each one went away feeling stronger.

Gamma Sigma.

The meeting was called to order by President Lawrence, and the following program rendered: Declaration, "The Black Horse and his Rider," by H. P. Humphreys. D. C. Brown followed with an oration on "Poetry and Divine Happiness."

H. P. Humphreys was then inaugurated president, and took the chair, whereupon Mr. Lawrence received the token of farewell.

The following officers were then inaugurated: A. C. Allen, Vice-President; H. L. McCoy, Recording Secretary; C. F. Koch, Financial Secretary; Alex. Robinson, Treasurer; L. L. Gardner, Librarian; S. B. Lawrence, Sergeant-at-arms.

Mr. Harold Bates was initiated into the Society. After a short business session the society adjourned.

Alpha Zeta.

At the meeting of Alpha Zeta last Wednesday night the following officers were elected: President, G. A. Clapp; Vice President, L. L. Hope; Secretary, A. A. Wagner; Treasurer, Sumner Bryant; Serg't at Arms, W. E. Gwynn.

TRIANGULAR DEBATE FRIDAY.

Whitman, Willamette and Pacific to Discuss the Japanese Problem. The Only Debate Here.

The Whitman-Willamette-Pacific debates will take place this coming Friday night, Feb. 21. The evening will be of unusual interest to us as not only do we meet the Whitman team on our home platform, but we are also sending another team to Salem, to meet Willamette on the same night. The question to be discussed by each of the three contending schools is: Resolved: that United States should continue to admit Japanese on the same basis as European immigrants. The team which goes to Salem consists of Robert Imlay, H. E. Witham and D. I. Aller, and will uphold the negative side of the question.

The affirmative team will remain at home. This team is composed of Messrs. Ward, Gwynn and Arnston, and will meet Messrs. Davenport, Rigby and Livengood from Whitman.

This will be the only debate held at Pacific, since the Academy team will meet Pendleton Academy at Pendleton. Every student should make it a point not only to be there but to induce all of his friends outside of college, to attend. Whitman has always put up a strong debate and with the team Pacific has, the debate is sure to be interesting in itself. School loyalty demands a large attendance and it is hoped that our team will be supported Friday night by an audience and enthusiasm never before excelled at Pacific University.

Intercollegiate.

There is a movement on foot for the building of a new armory at O. A. C. The building is to be designed and constructed by cadets of the military department.

The forestry department of Harvard University has received a gift of 2000 acres of timber land at Petershorn Massachusetts.

By an overwhelming majority the students yesterday voted at the poles to pay the Editor and the Business of the Barometer a salary of \$100 and \$50 respectively.

Association football in England was responsible for six deaths and the disablement of sixty more. The good old American game is not so bad after all.

A student of the University of Minnesota is to publish a "University Dictionary." It will contain a list of all the professors and instructors who have been at the institution; history and purpose of various organizations; records of the laws governing and pertaining to the regulation and establishment of the University.

H. P. Humphreys Elected Captain.

J. R. Ward Manager.

At a meeting of the foot ball squad Friday, H. P. Humphreys, a member of the Junior class, was elected captain. Mr. Humphreys has been prominent in foot ball circles for the past three years. His main position is Full-back. He played excellent games during the entire season. With the training that the team received this season will no doubt be valuable to next year's squad. Mr. Humphreys is very popular with his fellows and will place a strong team on the field next fall. Mr. James Ward was today nominated Foot-ball manager for the year 1908 by the Athletic committee. His nomination will be confirmed by the student body. This position will be ably filled by Mr. Ward as he has had experience as track manager. The track management ended with a good showing under his management last year.

Kappa Delta.

Election of officers was the main business of the evening. After a series of eloquent nominating speeches for the office of president, ballots were taken for this position, Miss Gladys receiving the plurality vote over other contesting candidates. The remaining offices were filled by the following: Miss Elizabeth Chalmers, Vice President; Fordyce, Secretary; Kate Shannon, Treasurer; M. Abernethy, Marshall; L. Hawley, Reporter; Fay Corwin, Artist.

Mrs. W. N. Ferrin has been quite ill the past week.

ACADEMY TEAM CHOSEN

Team Will Meet Pendleton Academy Sometime in April. High Class Tryout.

[By C. D. Mason.]

Last Friday evening Brighton chapel was the scene of a very interesting spirited forensic contest, when eight members of the Academy tried out for places on the debating team which is to represent the home institution against Pendleton Academy on the Postal Savings Bank question.

The speeches showed that the contestants had spent much time in preparation and their delivery likewise showed that we have some very able material in development, to represent us in contests in the future. Although this was the first time some of the speakers had ever appeared in public they showed perfect composure and went in with a determination to win.

Mr. Hope, winner of first place, represented Tualatin Academy last year on the team which defeated Pendleton on the subsidy question. Mr. Hope is a member of Alpha Zeta* and has always taken an active interest in all society affairs. Mr. Markee and Mr. Silverman, also members of Alpha Zeta* put up strong cases in a convincing manner.

Mr. Gardner showed much improvement over last year's work, and with continued effort will surprise his friends in time to come.

Each contestant had two minutes to rebut the argument of the preceding speaker and ten minutes to lay out his constructive case. The speakers were arranged as in the college tryout, a negative speech following an affirmative speech.

Those who tried out were: Sumner Bryant, C. E. Ward, Finley Childs, L. L. Hope, L. L. Gardner, Archie Markee and Arthur Silverman.

Dr. Hazard, Judge Hollis and President Ferrin acted as judges.

Philomathean.

The following officers of the Philomathean Society were unanimously elected at their last regular meeting. President, Francis Clapp; Vice Pres., Jessie Hoge; Secretary, Millie Fletcher; Treas., Lofetta Murphy; Marshall, Esther Silverman. After the business meeting a program was given on the Life and works of Sidney Lanier. The paper by Miss Murphy was instructive and the readings from Lanier's works by Misses C. Wilson, Bollinger and Silverman were entertaining. Misses Leabo and Bowie gave recitations which were well received.

EASY TO MIX THIS

Prepares It at Home By Shaking Ingredients Well in a Bottle.

What will appear very interesting to many people here is the article taken from a New York daily paper, giving a simple prescription, as formulated by a noted authority, who claims that he has found a positive remedy to cure almost any case of backache or kidney or bladder derangement, in the following simple prescription, if taken before the stage of Bright's disease:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in bottle and take in teaspoonful doses after each meal and again at bedtime.

A well-known druggist here at home, when asked regarding this prescription, stated that the ingredients are all harmless, and can be obtained at a small cost from any good prescription pharmacy, or the mixture would be put up if asked to do so. He further stated that while this prescription is often prescribed in rheumatic afflictions with splendid results, he could see no reason why it would not be a splendid remedy for kidney and urinary troubles and backache, as it has a peculiar action upon the kidney structure, cleansing these most important organs and helping them to sift and filter from the blood the foul acids and waste matter which cause sickness and suffering. Those of our readers who suffer can make no mistake in giving it a trial.

Nursing Mothers and Over-burdened Women

In all stations of life, whose vigor and vitality may have been undermined and broken-down by over-work, exacting social duties, the too frequent bearing of children, or other causes, will find in Dr. Pierce's Favorite Prescription the most potent, invigorating restorative strength-giver ever devised for their special benefit. Nursing mothers will find it especially valuable in sustaining their strength and promoting an abundant nourishment for the child. Expectant mothers too will find it a priceless aid to prepare the system for baby's coming and relieve the ordeal comparatively painless. It can do no harm in any state, or condition of the female system.

Delicate, nervous, weak women, who suffer from frequent headaches, backache, dragging-down distress low down in the abdomen, or from painful or irregular monthly periods, gnawing or distressing sensation in stomach, dizzy or faint spells, see imaginary specks or spots floating before eyes, have disagreeable, pelvic catarrhal drain, prolepsis, anteversion or retroversion or other displacements of womanly organs from weakness of parts will, whether they experience many or only a few of the above symptoms, find relief and a permanent cure by using faithfully and fairly persistently Dr. Pierce's Favorite Prescription.

This world-famed specific for woman's weaknesses and peculiar ailments is a pure glyceric extract of the choicest native, medicinal roots without a drop of alcohol in its make-up. All its ingredients are in plain English on its bottle-wrapper and attested under oath. Dr. Pierce thus invites the fullest investigation of his formula knowing that it will be found to contain only the best agents known to the most advanced medical science of all the different schools of practice for the cure of woman's peculiar weaknesses and ailments.

If you want to know more about the composition and professional endorsement of the "Favorite Prescription," send postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for his free booklet treating of same.

You can't afford to accept as a substitute for this remedy of known composition a secret nostrum of unknown composition. Don't do it.

Notice to Fruit Growers in Washington County.

The Fruit Inspector of this county has found that almost all trees are infected with fruit pests and the law requires the owners or persons having possession thereof to destroy or eradicate such orchards or pests. You are therefore notified that unless such orchards or pests are destroyed or eradicated before the first day of March, 1908, I will proceed under the law to either cut down or destroy such orchards or have the trees sprayed at the owners expense.
