

ENGLAND SAYS NO ALUM IN FOOD

and strictly prohibits
the sale of alum
baking powder—

**So does France
So does Germany**

The sale of alum foods
has been made illegal in Washington and the District of Colum-
bia, and alum baking powders are everywhere recognized as
injurious.

To protect yourself against alum,
when ordering baking powder,

Say plainly—

**ROYAL BAKING
POWDER**

and be very sure you get Royal.

Royal is the only Baking Powder made from Royal Grape
Cream of Tartar. It adds to the digestibility and whole-
someness of the food.

T. S. Townsend, president of the
Portland Board of Trade, and Mr. Mul-
ler, secretary, of Portland, were in For-
est Grove today calling on the busi-
ness men in the interest of forming a
cooperative board of the state.

One of the most severe rain storms
to visit this state in recent years was
that of a few days ago when an inces-
sant downpour continued for nearly a
week. W. R. Harris reports that the
rain fall exceeded three inches.

Mr. and Mrs. A. C. Luffer of Cran-
brook, Canada, who have been visiting
with Mr. and Mrs. A. B. Todd, the
past two weeks, left this week for
Washington, where they will visit a
short time before returning to their
home.

Wright & Cornelius, who have had
offices in the Forest Grove National
bank building, have discontinued busi-
ness there since forming a partnership
with the Oregon Land Co., and will be
found at the offices of the latter
company.

Mr. and Mrs. W. S. Hudson came
out from Portland Thursday, to visit a
month in this place and to fix up their
property here. Mr. Hudson was for-
merly city treasurer and school clerk.
They are enjoying their usual good
health and their many friends are glad
to see them again.

The Washington County Board of
Trade is putting forth some energy to
secure photographs of the Horse
Parade to be held April 18 at Hills-
boro, for advertising purposes. Also
some of our good herds of cattle. All
owners will do what they can to help
them if they know when they are
coming.

Hon. W. M. Barrett of Hillsboro,
who is candidate for joint-senator, and
who was one of the judges of the de-
bate between Whitman and P. U.
here some time ago, is getting some
good advertising in the Whitman col-
lege paper, who refers to him as
"Hon. M. N. Barrett, former Minister
to Columbia."

Dr. Hines has been mentioned as a
candidate for the legislature on the re-
publican ticket, and it is understood
that he is considering making the race.
A large number of his friends from all
over the county are offering him much
encouragement and should he desire
to make the race, will no doubt land
the nomination.

Next Sunday night Dr. Luther R.
Dyott of the First Congregational
Church of Portland, will speak in the
Congregational church here. The ad-
dress is specially to men though all
people are invited. This service is to
promote a new movement in which
the men of the church are being organ-
ized for more effective work.

The Second Division of the Ladies
Working society, held a social at the
Congregational church Tuesday even-
ing in honor of St. Patrick. Supper
was served after which a short program
was enjoyed. Mrs. W. W. McEl-
downey and Misses Kate and Maud
Shannon sang, and Mrs. J. F. Griswold
gave an interesting talk on her trip
abroad.
