LONG DISTANCE RUN.

Cross Country Club Hold First Contest of Season. Austin Wins First Place.

A new feature in athletics was instituted into Pacific University, last Monday evening, when the Cross Country Club held its first contest in a long distance handicap run.

Alex. Robinson, captain of the squad was scratch man, and when he left the marks the small forms of Gardner, Thomas, Mobley, Reher and Austin could be seen jogging along well on their way toward Cornelius. Great interest was shown by a large crowd of students, who eagerly watched the developments of the race on the return trip. Austin was the first to cross the tape, making the distance of three miles in 18 minutes and one second, Reher followed a close second, time 18-18, Thomas third, time 18-27, Robinson fourth, time 18-47.

The bicycle path, leading to Cornelius furnished a good course for the race, which made it possible for the contestants to make good time.

The results of the race clearly show that our Track Team will have a good representation in the mile and half-mile runs.

WORK ON ANNUAL BEING PUSHED

Publication to be Representative of Whole College. No One Should Be Without a Copy.

During the past week, the work on the Junior Annual has been pushed with all possible speed. The photographer has been kept busy taking pictures of the different classes—from Seniors to first year academy students. Cuts of each class, literary societies, athletic and debating teams and each member of the Faculty are to grace the pages; also a history of the different classes and organizations. These few facts show the representative character of the work. To every student in school, the annual should be a source of pleasure. It aims to condense the valuable facts and persons of the college in such a way as to be at once interesting and instructive.

Miss Martha Holmes, Editor-in-Chief, is not new at the work. With her ability and energy the publication receives additional value. Business manager V. E. Waterman, hailed from The Dalles and consequently his business ability is well known.

Miss Helen Chandler is well adapted to her part as Literary Editor as she has had abundant instruction under Miss Farnham.

Mr. H. P. Humphreys, Athletic Editor, has been engaged in manual training since the time when, as a bare-foot boy, he competed on the curved track at Hillsboro. He has been a member of Pacific's Base ball, Basket ball, Foot ball and track teams, and even plays tennis.

J. R. Ward will attempt the funny part of the annual. Any student accidentally discovering or hearing of a good, original joke, please report to the humorous editor and receive his reward.

Harold Bates spent the week's end at Seaside.

PERFECT CONFIDENCE

Forest Grove People Have Good Reason for Complete Reliance.

Do you know how—
To find quick relief from backache.
To correct distressing urinary ills.
To surely cure sick kidneys?
Just one way—your neighbors know—
Have used Doan's Kidney Pills;
Have proved their worth in many tests.
Here's Forest Grove testimony.

J. S. Tremble, living in Forest Grove, Ore., says: "For some time I suffered from a dull, aching pain in my kidneys. These organs were very frequent in my mind, and I was forced to drive so many times during the day. The trouble grew worse and I gradually realized that I needed a remedy. I saw Doan's Kidney Pills in the paper and I decided to try them and I am glad to say that I secured a great change in my condition after a short time and after taking the contents of the first box. I feel much better now. Doan's Kidney Pills have my recommendation as a kidney remedy." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

STUDENTS AND FACULTY RAISE FUNDS TO CLEAR DEBT

Changes Made in Constitution. A Vote of Thanks Accorded Faculty for Their Liberality.

Students and faculty have liberally given of their means to clear student organization of debts incurred through intercollegiate debates and other student activities. The student committee that waited on the members of the faculty for financial aid received most liberal contributions. The students have made up the remaining deficit and the school year will end with a clean page.

The student body, besides disposing of the debt, made some important changes in the constitution. Heretofore the members of the debating team and the intercollegiate orator received the official emblem, the gold "P" for representing the school in these college activities.

Today the student body constitution was amended so as to give the editor of the Weekly Index the official gold emblem, to be designated as the Journalist "P."

The ground for granting this mark of honor is the literary work done in a representative capacity of the college paper. This publication is the official organ of the student body and represents them in every line of student enterprise and college activity. Before a person is entitled to wear the Journalist "P," he or she must have served one year as associate editor and one year as editor-in-chief of the official college publication.

Pres. J. R. Ward appointed a committee to draw up satisfactory resolutions amending the constitution in regard to the foot ball emblem. The different class treasurers were instructed to collect the fifty cent tax that was levied and turn the same over to the student committee consisting of Messrs. Arnon, Clapp and Waterman. The way the students took a hold of the matter of clearing the debt showed true philanthropic spirit and college loyalty.

Signs of Growth.

W. D. Furgerson, of Chicago, has secured \$30,000 on the \$40,000 chair to be established in Biblical literature the coming school year. The trustees of the University secured the services of Mr. Furgerson last Fall and he has been in the field since that time in securing this amount. This will make the endowment reach the \$250,000 mark. With the \$52,000 lately invested in the women's dormitory and

\$30,000 increase in the endowment fund has placed the University on a better financial basis. The grounds, consisting of 28 acres, in a beautiful campus, are being improved by grading and building walks and drives. The athletic field, drained with tile, has made the track firm so that track athletics are being carried on without delay. When the extensive plans for the gymnasium are completed and the Carnegie library is finished, Pacific University will be one of the best equipped private institutions in the Northwest.

Band Reception.

Last Friday evening Mrs. Gould and Vernon gave a reception, at their home on Second avenue, to the members of the University Band. The parlor was appropriately decorated with "Music in the Air." Notes in musical combinations graced the walls, while about the room were musical terms in odd forms, which proved to be the source of much thought on the part of those who were more familiar with them.

Each guest was requested to wear something representing the name of some familiar song. Mr. Kirkwood was acknowledged by all as the most original, in his representation of "Old Folks at Home."

The evening was spent in playing games, several of which were original and caused much merriment. Dainty refreshments were served, and after voting their host and hostess as royal entertainers, the Band boys departed, wishing such times would come often.

Those present were: Messrs. Markee, Mills, Mayfield, Kirkwood, Gould, Hazlett, Watkins, Knight, Taylor, Bryant and Brown.

Disregard for Law.

If conditions are such as the press of the country inform us, no college in our land can have sympathy for the students in their recent actions at Stanford and Michigan. There seems to be a growing disregard for law and order in our country today. The South invariably resort to the Lynch Law. Fifty-seven homicides were committed in the state of Oregon the past year and only three of this number were punished for their misdeeds. These are a few of the signs for the need of stricter enforcement of law. In order for a college to maintain discipline it is necessary to enforce its rules. The college course is a training for better citizenship. If students are not compelled to respect rules and laws of order while in school what kind of leaders and citizens will they be when they face the world.

SHAKE IN A BOTTLE.

Advice of Noted Authority. Also Gives a Simple Home Prescription.

Now is the time when the doctor gets busy, and the patent medicine manufacturers reap the harvest, unless great care is taken to dress warmly and keep the feet dry. This is the advice of an old eminent authority, who says that Rheumatism and Kidney trouble weather is here, and also tells what to do in case of an attack.

Get from any good prescription pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces Compound Syrup Sarsaparilla. Mix by shaking in a bottle and take a teaspoonful after meals and at bedtime.

Just try this simple home made mixture at the first sign of Rheumatism, or if your back aches or you feel that the kidneys are not acting just right. This is said to be a splendid kidney regulator, and almost certain remedy for all forms of Rheumatism, which is caused by uric acid in the blood, which the kidneys fail to filter out. Any one can easily prepare this at home and at small cost.

Druggists in this town and vicinity, when shown the prescription, stated that they can either supply these ingredients, or, if our readers prefer, they will compound the mixture for them.

The Modesty of Women

Naturally makes them shrink from the delicate questions, the obnoxious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription write in appreciation of the cure which dispels all the examinations and local treatments. There is no other medicine so sure and safe for delicate women as "Favorite Prescription." It cures debilitating drains, irregularity and female weakness. It always helps. It almost always cures. It is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle-wrapper; contains no deleterious or habit-forming drugs, and every native medicinal root entering into its composition has the full endorsement of those most eminent in the several schools of medical practice. Some of these numerous and strongest of professional endorsements of its ingredients, will be found in a pamphlet mailed free on request, by Dr. R. V. Pierce, of Buffalo, N. Y. These professional endorsements should have far more weight than any amount of the ordinary lay, or non-professional testimonials.

The most intelligent women now-a-days insist on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them. "Favorite Prescription" is of known composition. It makes weak women strong and sick women well.

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send to Dr. R. V. Pierce, Buffalo, N. Y., 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound. If sick consult the Doctor, free of charge by letter. All such communications are held sacredly confidential. Dr. Pierce's Pleasant Pellets invigorate and regulate stomach, liver and bowels.
