MRS. BOYD ENTERTAINS Y. W. C. A.

Delivers Valuable Paper Upon the "Religious Inspiration of Music" -- Refreshments Served.

Tuesday afternoon at 4 o'clock the Y. W. C. A. was invited to the home of Mrs. H. W. Boyd to hear the paper she had prepared for the association on the subject "Religious Inspiration of Music." This was the third of the series given this year.

Her paper traced the development of music from its earliest use as praise in worship down to the present time in the oratorios and beautiful church music. She showed how all the great composers had owed much of their inspiration for their finest works directly to religious influence. She showed how the early Greeks and Romans had used music as part of their religious worship. The Hebrews knew and worshipped the one true God and were the most musical people of their time. The Psalms and beautiful songs of the Bible give evidence of this. They praised God with both voice and instrument. Music has always been encouraged by the church and much of the development along musical lines is due to her patronage.

The different points brought out in the paper were illustrated by readings from the Psalms and songs. The following were given:

Duet, "I Have Waited for the Lord," from Hymn of Praise, Daisy Abernethy and Amy Thomas.

Solo, "The Lord is Mindful of His Own," from the Oratorio "St. Paul," Kathryn Shannon.

Solo, "Had I the Wings of a Dove," Amy Thomas.

The paper was very interesting and showed much care and thought in preparation. The illustrations throughout by songs and psalms made plain the great debt music owes to religion. At the conclusion of the meeting an informal reception was held and refreshments were served.

The S. L. S. Club Entertains.

Last Friday evening the S. L. S. club gave an old-fashioned taffy pull at Herrick Hall. The parlors were beautifully decorated in the club colors, yellow and white. Old-time games were played. Holman Ferrin won the prize for the menagerie game. The guests were: The Misses McDonald, Boldrick, Bishop, Chalmers, Mary Heidel, Bennett and Zumwalt; Messrs. H. Ferrin, D. Clapp, H. Thomas, K. Abraham, Pauli, Fowler and P. Abraham.

An angling party consisting of Prof. Orr, Miss Heidel, Miss Payne, Mr. Gwynn and Miss Orr went up Gales Creek Saturday.

Mr. Graham, the great Violinist, assisted by Mrs. Pauline Miller Chapman, will appear April 30 as fourth number of the concert course.

PRINTED BY REQUEST.

Doan's is Easily Prepared at Small Cost, and Many Swear By It.

Mix the following by shaking well in bottle, and take in teaspoonful doses after meals and at bedtime:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. A local druggist is the authority that these simple, harmless ingredients can be obtained at nominal cost from our home druggists.

The mixture is said to cleanse and strengthen the clogged and inactive kidneys, overcoming Backache, Bladder weakness and Urinary trouble of all kinds, if taken before the stage of Bright's disease.

Those who have tried this say it positively overcomes pain in the back, clears the urine of sediment and regulates urination, especially at night, curing even the worst forms of bladder weakness.

Every man or woman here who feels that the kidneys are not strong or acting in a healthy manner should mix this prescription at home and give it a trial, as it is said to do wonders for many persons.

The Scranton (Pa.) Times was first to print this remarkable prescription, in October, of 1906, since when all the leading newspapers of New York, Boston, Philadelphia, Pittsburg and other cities have made many announcements of it to their readers.

LOCAL PROHIBITION CONTEST

"The Cleansing of the Nation" Won First Place, by A. C. Allen--Contest Close.

Monday evening occurred the local prohibition oratorical contest in Brighton chapel. From the three contestants, A. C. Allen was selected to represent the institution at the state contest which will be held at McMinnville April 24. The winner of the state contest will represent Oregon in the Pacific Interstate contest at Los Angeles, Cal.

Mr. Allen's theme was "The Cleansing of the Nation." He portrayed the evil effects of the liquor traffic and convincingly set forth the advantages of local option as a means to national prohibition.

Mr. Witham followed with a well written oration, setting forth the yearly expenditure for the nation's drink bill. He showed the evil results of this nefarious traffic upon the morals and character of our people. Mr. Childs closed the program with an oration entitled "The Bondage of a Nation." He contended that alcohol as king had enslaved the Nation. Miss Thomas rendered in a pleasing manner a vocal solo. Miss Ruby Wilson captivated her audience by a beautiful piano solo.

The judges were Pres. Ferrin, Judge W. H. Hollis and Rev. Clapp. The same judges passed upon both the composition and delivery of the orations.

MISS BAIN DELIVERS AN INTERESTING PAPER ON ART

The Recent Rise of American Artists in Landscape Painting Turner and Corot Our Masters.

Last Wednesday Miss Bain read a very interesting and instructive paper on "The American Landscape." Landscape painting is Miss Bain's special line of work, so she was able to put much of her own personal interest into the paper which added materially to its value.

It is only within the past ten years, Miss Bain said, that America has developed anything in art, which is characteristically her own. This characteristic work has found expression in landscape painting. When we consider the conditions in this country in comparison with Europe, we can understand why this is true. We have no old masters, no cathedral or monastery life or any of those influences which furnish the subject matter for the greater part of the art of the world. In consequence the American artist has cast about for something that he knows and loves, and what better can he find than his own cities, hills, fields and the moods of nature as he sees and knows them.

Landscape painting fills the need for religious expression. We no longer need pictures of the holy family or other sacred subjects to remind us of the love of God for us. A beautiful scene truly depicted upon the canvas, brings this truth home for it shows us true beauty and wonder of God's handiwork.

American painters, especially Millet, Corot and Turner, have contributed much to the perfection of art through their own work. And it is perhaps due to them in a large measure that the American landscape is gaining recognition from the greatest artists and critics of Europe.

DATE SET FOR MINSTREL

Wednesday Evening, April 15, at Masonic Hall--Fifteen Colored Performers.

The committee on arrangements for the Minstrel Show has decided on April 15 as the most favorable date for this event. For a time it was thought best to postpone the entertainment until after the holidays, on account of several of the participants being overworked, but a reconsideration resulted in the decision of putting the performance on as soon as it was possible to perfect the program.

The former program has been changed somewhat. The first part of the program remains the same. The boxing contest will probably be cut down to but one match. The farce has been changed from "There's none so deaf as those that won't hear," to "The Band his Assistants. This farce

is "funny" and will be a most fitting climax.

The boys have been working hard to make the performance as good as possible. The assistance given by Miss Thomas with the songs has been indispensable. The sole purpose is to raise money for athletics. It is a worthy object and the minstrel will be well worth your while.

From Homer Davenport.

The following communication was received by Prof. Kori from Homer Davenport.

New Plains, New Jersey, Mch. 23, '08.
Prof. A. Ben Kori,
Prof. of Modern Languages, Pacific University, Forest Grove.

My Dear Professor: I can't tell you how I appreciate your letter of March 14. You have completed the last spoke in the wheel to my expected visit from your distinguished brother, and that was this, that I was afraid that from the Arabic and Syrian people in this country I couldn't get an interpreter skilled enough in the higher languages, one who could translate the soul thoughts of the brotherhood of man. But you can. And when Akmut Hafez and Sheykh Alley come, with one or both of Akmut Hafez sons, then with you how wonderful and educating their journey can be made, both for us and them, and I shall make a great effort to try and bring about that condition a year from the coming spring.

Meeting you in Forest Grove, though the visit there was brief, and having the pleasure of this exquisite letter, furnishes me with further proof that possibly after all the people of your race, are capable of grasping greater situations than the average of our people. I will be interested to receive a translation of your answer from my brother, that I will even be impatient until I hear from you.

I am inclosing my catalogues to you and I should esteem it a great favor if you should have the spare time to correspond with me. Will you do me the great favor of translating a letter from me to Arabic to my brother Hafez?

Yours very truly,
HOMER DAVENPORT.

"MR. BOB" GOES TO BANKS

Opera House Secured for Saturday, April 11--Advertising Begun.

Last week, Wm. E. Gwynn, manager of the "Mr. Bob" Company of Pacific University, completed arrangements for putting this farce on the stage in Banks, Saturday evening, April 11th. The Opera House at Banks has been recently constructed and will accommodate two hundred or three hundred people. Last spring when the Junior Class gave "The Bridge of the Gods," Prof. Orr was especially requested by one of Banks' prominent citizens, to take the play to Banks. This request was remembered by the local company and after some discussion it was decided to put "Mr. Bob" on the stage again. There is some talk of "Other Worlds" also, but as yet nothing more definite than the

They cure every kidney ill. Mrs. A. H. Vose, living in Beaverton, Ore., says: "Doan's Kidney Pills have proved of great value to me. At the time I began their use, I had been suffering for a long time from a weakness of the kidneys and back. I would arise in the morning feeling unrefreshed and ill-fitted to begin my household duties. My head ached at times and I seemed to be weak all over. My kidneys were out of order and gave me a great deal of annoyance. I procured a box of Doan's Kidney Pills and after taking a few doses was greatly relieved. I was so delighted that I procured another supply and in a month was entirely free from the complaint. I am much better in every way since using Doan's Kidney Pills and give them the credit."

The Badge of Honesty

Is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proven its superior worth as a blood purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone and Mandrake root, Bloodroot and Black Cherrybark are extracted and preserved by the use of chemically pure, triple-refined glycerine. Sent to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in all "stomachic diseases" where there is loss of flesh and gradual running down of the strength and system.

The "Golden Medical Discovery" makes rich pure blood and so invigorates and regulates the stomach, liver and bowels, and through them, the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed. In treating old running sores, or ulcers, it is well to insure their healing to apply to them Dr. Pierce's All-Healing Salve. If your druggist don't happen to have this Salve in stock, send fifty-four cents in postage stamps to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and a large box of the "All-Healing Salve" will reach you by return post. You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

present move. The Company and friends will probably be transported to Banks in carriages, surreys, etc., as the work on the local street car line cannot be completed by that time.

Manager Gwynn will be in Banks Tuesday, putting out bills and attending to other business matters. See the manager for further particulars.

Fourth Year Party.

One of the prettiest parties of the season occurred at the home of Miss Jennie Rasmussen last Friday evening. It was given by the '08 girls in honor of the '08 boys.

The first part of the evening was spent in making candies of various kinds in which the boys had a very "stirring" time. After the candy had been eaten the party proceeded to the parlor where many enjoyable games were played. At 11 p. m. the jolly crowd voted a good time and left for their homes.

Those present were: E. Chalmers, Helen Luce, Anita Rice, Ada Miller, Eva Fletcher, Mizpah and Camilla Abernethy and Jennie Rasmussen, Messrs. Bryant, Gould, Brown, Hope and Taylor.

A number of Herrick Hall boarders spent the week end at a house party given by the M. T. society. A most enjoyable time was had. One of the principal events was a track meet in which all participated. Since all could not win the losers consoled themselves with mulligatawny scones and taffy and will begin training at once.

Miss Helen Chandler and Miss Lillian Elder went to Eugene to attend the convention of the Y. W. C. A.
