## HON JOHN BARRETT SENDS SPANISH PAPERS TO PROF. KORI

El Pais, El Mercurio and Las Ultimas Noticias are the Leading Spanish Papers of South America.

John Barrett, the Director of the International Bureau of American Republics of Washington, D. C., has forwarded to Prof. Kori of the Modern Language department, several copies of South American Spanish newspapers. These papers are of considerable value to the Spanish students. To the people of Oregon Mr. Barrett is well known. Mr. Barrett has risen very rapidly to high positions of honor. Born at Grafton, Vermont in 1866, graduated from Worcester Academy in Massachusetts in 1884, attended Vassar University in Tennessee and graduated at Dartmouth College in 1889. In 1891-4 was associate editor of the Telegram, Portland, Ore.

He became American minister to Siam in 1894, settling by arbitration claims involving \$3,000,000 and securing first the exact interpretation of foreign extraterritorial jurisdiction in Asiatic countries. He undertook special Diplomatic and Commercial investigations in Japan, Siam, Korea, Siberia and India. Mr. Barrett was offered the post of American minister to Japan by President Roosevelt in 1903 but declined. In 1903-4 he served as American minister to Argentina, and has acted in the same capacity to the republics of Panama and Colombia. Some of the journals forwarded by Mr. Barrett were: The El Pais of Buenos Ayres, El Mercurio of Santiago Chile, and Las Ultimas Noticias of Santiago.

The following communication accompanied the papers:

Washington, D. C., Apr. 3, 1908.  
Sir: Since the visit of Secretary Root to South America, in 1906, the interest in our neighboring republics has been increasing amazingly among students, travelers and business men.

One of the many good results of the Rio de Janeiro Pan-American Conference, at which Secretary Root was a guest, has been to enlarge the scope and activities of the International Bureau of American Republics.

Part of this greater activity has shown itself in the collection of contemporary literature consisting not only of official publications of statistical and other data relating to these republics, but, also, of current daily, weekly and monthly periodicals, which offer the best sources from which to extract knowledge of the people and their customs.

Fortunately we have secured extra copies of a few of these publications. Knowing how much pleasure a class takes in reading live colloquial Spanish, several copies of South American newspapers are sent to you with the compliments of the International Bureau of American Republics.

I am, Sir,  
Yours respectfully,  
JOHN BARRETT  
Director.

Professor of Modern Languages,  
Pacific University,  
Forest Grove, Oregon.

## PENDLETON VS. TUALATIN.

Messrs. Hope, Markee and Silverman Prepared for Contest.

April 17 the debating team from Tualatin Academy journeys to Pendleton to contest for honors with Pendleton Academy on the question of Postal Savings Banks. The boys have been working hard on the question which has been very difficult to work up on account of a lack of material. The question is a live one however and of vital importance to every professional or business man. In the light of the recent failures of the Savings' Banks in Oregon and elsewhere, the question will probably be agitated for some time to come.

Tualatin's team is strong enough to expect another victory this year. As extemporaneous speakers the boys are all above the average and with Prof. Orr's valuable training, should prove strong in rebuttal work.

The Old Maids' Convention is scheduled for May 2. This will be one of the coming events of the college year. No one can afford to miss it.

## Y. W. C. A. CONVENTION HELD IN VILLARD HALL, EUGENE

Dr. Coburn of New York, Addressed Convention—Prominent Y. W. C. A. Workers Present

The thirteenth annual convention of the Young Women's Christian Association of Oregon and Idaho was held at Eugene Oregon, April 3, 4 and 5. Friday morning the convention was organized. President Campbell welcomed the delegates and leaders to Oregon and spoke on the "Place of the Association in College Life." The rest of the morning and afternoon was taken up with the reports of the different associations. Friday evening Miss Frances Gage spoke for a few minutes on the national and state work. She brought out the idea that as Christ always performed his miracles where there was a need, so the Young Women's Association take up its work in places where there is a need. In the college, the Association is of great value to the institution, but its great purpose is to prepare a girl for a greater work in the outside world.

Dr. Benjamin F. Young, pastor of Grace Methodist church, Portland, gave the address of the evening. His subject was "The Man of Nazareth." Dr. Young is a forceful speaker. He entered into his subject with all the enthusiasm of a friend pleading for another. He emphasized the thought that Christ is different from men today because He has a sinless character. Why is He a sinless character? Because He is the man plus the Divine.

Saturday afternoon Miss Barnum spoke of the "Travelers' Aid." This subject is always interesting, and Miss Barnum gave many interesting incidents of how girls have been reached through this work at the station and docks.

Saturday evening the University of Oregon Association girls gave a very interesting reception in the Boys' Hall. Sunday morning the work of the Association was presented in the different churches.

In the afternoon Dr. Coburn, an evangelist of New York, spoke before the convention. His subject was the "Woman of Samaria." Dr. Coburn also led the morning Bible classes, which were most successful. He said that the Bible should be read as any other book is read, beginning with the first chapter of Genesis, and not in the middle of the book.

Dr. Geo. VanMater gave the Convention Sermon Sunday evening; his thought was that a christian must think not only of receiving but of giving: one reason why the Young Woman's Association is so successful is because it has something definite to give. Immediately following the sermon, the Farewell Service of the convention was led by Mrs. Jessie M. Honeyman.

The Oregon girls and the people of the city did much to make this convention one of the best ever held in the Northwest.

## Gamma Sigma.

Thursday evening the society discussed the question, "Resolved, That the Black Peril is more to be feared than by the people of the United States than the Yellow Peril." H. L. McCoy and S. B. Lawrence advanced the argument for the affirmative. They portrayed the low moral and social effects of the Negro upon the English race and the constant strife for political supremacy between the two races. Mr. Hiltz and A. Robinson contended for the negative. They showed the aggressive spirit of the Japanese in crowding out the American laborer and the two races never living in harmony together. The decision was rendered in favor of the affirmative. Arthur Mills criticised the debate. The society adjourned to meet within one week.

## Y. M. C. A.

Dr. Boggess led the meeting with the subject "Precious promises". A number of promises were given showing God's love and kindness, and above all his absolute justice to us. With each promise there is an obligation which must be fulfilled before that, which is promised comes to pass.

Among the promises given was one which is a good foundation principle on which it is safe to begin a christian life. It is "There hath no temptation

taken you but such as is common to man, but God is faithful; He will not suffer you to be tempted above what you are able; but will with the temptation also make a way of escape, that ye may be able to bear it". 1 Cor. 10: 13.

## Philomathean.

The society met at the usual hour Wednesday evening. After a short business meeting the program which was shorter than usual was given.

The program opened with a vocal solo by Miss Blanche Harbison. Miss Clapp read one of Mary Stewart's Cuttings short stories entitled "At the sign of the rubber plant." Miss Payne then gave a short sketch of the life of Ella Higginson followed by the reading of one of her short stories taken from "The Land of the Snow Pearls." The last number was a piano duet by Miss Clapp and Miss Hoge which was very much enjoyed.

## College Notes

Pres. Ferrin was in Portland Saturday.

There will be no school the coming week.

Miss Ruth spent Saturday and Sunday in Carlton.

Professor Orr's mother is visiting Miss Orr at the Hall.

Archie Hahn was at the Columbia indoor meet Saturday.

Prof. Briedwell is contemplating a course at Heidelberg.

Miss Eva Fletcher has been out of school on account of illness.

The band accompanied the "Mr. Bob" troupe to Banks Saturday evening.

H. P. Humphreys, the end man in the minstrel show, will be there to lead the singing.

Principal Bates went to Monmouth Friday to act as a judge at the Monmouth-Albany debate.

Misses Chandler and Elder report a splendid time while attending the Y. W. C. A. convention at Eugene.

It will take several weeks before Mr. Koch can get his voice in shape for classical music after practicing the minstrel songs.

Mr. Briedwell a former P. U. student, was at the train to meet the University delegation that attended the convention at Eugene.

Alexander Robinson made a fine showing in the mile race Saturday at the Columbia indoor meet. He was close on the heels of Devolt, who made a record of 4:46 on a fourteen lap track.

Twenty-four high schools and the Puget Sound Academy, Whitwood College Academy, and the Seattle Seminary will be included in the university group of the Interscholastic meets. The twenty-seven institutions at Seattle, and twenty-four at Pullman makes a total of sixty-one high schools and academies that will be represented in the finals at Seattle. This will be the greatest gathering of athletes ever congregated in the Northwest-Evergreen.

## DAYS OF DIZZINESS

Come to Hundreds of Forest Grove People.

There are days of dizziness; Spells of headache, sideache, backache; Sometimes rheumatic pains; Often urinary disorders. All tell you plainly the kidneys are sick.

M. S. Dally, living on Second Ave., Forest Grove, Ore., says: "For over ten years I suffered from kidney trouble and no matter how many remedies I tried, I was unable to find relief. My kidneys were in a most disordered condition, the secretions too frequent in action and greatly interfered with my rest at night. I suffered severely from dizzy spells and my eyesight became affected. I grew weak and at the time Doan's Kidney Pills were brought to my attention. I was feeling very miserable. I received good results from their use, continued taking them and at the present time am absolutely free from any sign of kidney complaint. I give Doan's Kidney Pills credit for the great change in my condition."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## Of Interest To Women.

To such women as are not seriously out of health but who have exacting duties to perform either in the way of household cares or in social duties and functions which seriously tax their strength, as well as to nursing mothers, Dr. Pierce's Favorite Prescription has proved a most valuable supporting tonic and invigorating nerve. By its timely use, much serious sickness and suffering may be avoided. The operating table and the surgeon's knife would be believed seldom have to be employed if this most valuable woman's remedy were resorted to in good time. The "Favorite Prescription" has proved a great boon to expectant mothers by preparing the system for the coming of baby, thereby rendering childbirth safe, easy, and almost painless.

Bear in mind, please that Dr. Pierce's Favorite Prescription is not a secret or patent medicine, against which the most intelligent people are quite naturally averse, because of the uncertainty as to their composition and harmless character, but is a medicine of known composition, a full list of all its ingredients being printed, in plain English, on every bottle-wrapper. An examination of this list of ingredients will disclose the fact that it is non-alcoholic in its composition, chemically pure, triple-refined glycerine taking the place of the commonly used alcohol, in its make-up. In this connection it may not be out of place to state that the "Favorite Prescription" of Dr. Pierce is the only medicine put up for the cure of woman's peculiar weaknesses and ailments, and sold through druggists, all the ingredients of which have the unanimous endorsement of all the leading medical writers and teachers of all the several schools of practice, and that too as remedies for the ailments for which "Favorite Prescription" is recommended. A little book of these endorsements will be sent to any address, post-paid, and absolutely free if you request same by postal card, or letter, of Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. Easy to take as candy.

The American Art League of New York city is offering scholarships to successful artists. Any artist in the country has the privilege to compete for these scholarships. Miss Luce and Miss Sewell have forwarded their productions for competition. Some of America's foremost artists will act as judges.

Friday evening Albany college won the decision over the state normal school at Monmouth in a debate upon the question Resolved, That Strikes on the Whole have been Beneficial. Speakers for Monmouth were H. A. Goode, P. Stroud and R. G. Stafford. The Albany team was composed of W. H. Steele, C. Birchett and Hodge. The judges were Hon. J. E. Werlein, city treasurer of Portland, Prof. H. L. Bates, Pacific University, and Hon. A. O. Condit, attorney, Salem.

Hoffman and Allen Co. are agents for the famous Butterick patterns.

Dr. E. H. Brown, Physician and Surgeon. X-Ray and all electrical appliances in office. Calls answered night or day.

## ASKS US TO PRINT IT.

Tells How to Prepare a Simple Mixture to Overcome Dread Disease.

To relieve the worst forms of Rheumatism, take a teaspoonful of the following mixture after each meal and at bedtime:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

These harmless ingredients can be obtained from our home druggists, and are easily mixed by shaking them well in a bottle. Relief is generally felt from the first few doses.

This prescription states a well-known authority in a Cleveland morning paper, forces the clogged-up, inactive kidneys to filter and strain from the blood the poisonous waste matter and uric acid, which causes Rheumatism.

As Rheumatism is not only the most painful and torturous disease, but dangerous to life, this simple recipe will no doubt be greatly valued by many sufferers here at home, who should at once prepare the mixture to get this relief.

It is said that a person who would take this prescription regularly, a dose or two daily, or even a few times a week, would never have serious Kidney or Urinary disorders or Rheumatism.

Cut this out and preserve it. Good Rheumatism prescriptions which really relieve are scarce, indeed, and when you need it, you want it badly. Our druggists here say they will either supply these ingredients or make the mixture ready to take, if any of our readers prefer.

## Spring showing

## Notice for Publication.

United States Land Office, Portland, Oregon, Feb. 11th, 1908.

Notice is hereby given that in compliance with the provisions of the act of Congress of June 3, 1878, entitled "An act for the sale of timber lands in the States of California, Oregon, Nevada and Washington Territory," as extended to all the Public Land States by act of August 4, 1892, Flora A. Dudley, of Portland, County of Multnomah, State of Oregon, has this day filed in this office his sworn statement, No. 7621, for the purchase of Lots 3 and 4, and NE 1/4 of SW 1/4, of Section 30, in Township No. 3 north, Range No. 3 west, and will offer proof to show that the land sought is more valuable for its timber or stone than for agricultural purposes, and to establish his claim to said land before Register and Receiver at Portland, Oregon, on Monday the 27th day of April, 1908.

He names as witnesses, Olof Ohlson of Portland, Ore.; Mary E. Wilson of Portland, Oregon, Charlotte Reed of Portland, Oregon, and Will Kelley of Buxton, Oregon.

Any and all persons claiming adversely the above-described lands are requested to file their claims in this office on or before said 27th day of April, 1908.
