Decision Is Expected.

A decision following the hearing conducted at Gaston by T. K. Campbell, state railroad commissioner, relative to the inadequate depot facilities at that place, will be handed down by the state railroad commission, this week. The people of Gaston are very desirous that the Southern Pacific should build a depot suitable to the passenger traffic.

New Telephone Directory.

The News will this week complete a new Independent telephone directory covering all the Independent lines in the county. It will contain about fifty pages of names. It is one of the most complete directories ever gotten up in this county and it is under the supervision of Frank C. Rutledge, manager of the Kist Mutual Telephone Association. It is the intention of Mr. Rutledge to get out a new book every three months thus keeping the directory strictly up-to date.
