### GASTON

Wilford Thomas is digging a well.  
Thos. Carmichael was doing business in Portland, last week.  
Mrs. Turner is spending a few days in Portland, with her daughters.  
W. W. Ryals and wife visited, Sunday, with their uncle, B. C. Dennis.  
A. A. Russell and family were guests of Scoggin Valley relatives, Sunday.  
Quite a number from this place went to the big show in Forest Grove, Friday.  
Grandma Roiston, who has long been a resident here, will make her home, for a while, with her son Frank, of the Grove.  
Mrs. Tolson has improved the appearance of her property by having the old shoe shop removed, that has stood there for years.

A man may travel a whole day and not find worse roads than when he first strikes Yamhill county, a short stretch that the supervisor has overlooked, we think.

### GALES

J. G. Boos loaded 2 cars of stone last week for Roy for the new church that is to be built this summer.

Mr. Jack Frost has visited a good many of the gardens in this vicinity lately.

Mr. McElliott and Harry Graham had their tracts of land surveyed last week.

Henry Rode is suffering with a sore throat.

Mrs. McElliott was the guest of honor at a surprise party given by her daughter, Mrs. Harry Graham on May 4th, the event being the anniversary of her birth.

The cottage prayer meetings begin this week. All are cordially invited.

There will be services held at the Thatcher church Wednesday, Thursday and Friday evenings.

Dr. Burger was not benefited by his trip to California and has been confined to his room since his return.

Several of the Banks people went to Portland to witness the opening game between San Francisco and Portland. While they enjoyed the professionals in every way, they prefer seeing their own team play.

The Banks base ball team crossed bats with the McMinnville team on the Banks diamond Sunday in the presence of a large enthusiastic crowd, the score being 9 to 1 in favor of Banks. The Beaverton team is coming to Banks next Sunday the 17th, to play the Banks team. An excursion

train will run from Hillsboro and a large crowd is anticipated.

### CORNELIUS

The architect to whom has been awarded the drawing of the plans and specifications for the new school house was here the forepart of the week and held a conference with the board of directors.

E. Kroner and wife, of Portland, spent Sunday with O. E. Edison and family, of Cornelius. Mr. Kroner is an architect and is drawing the plans and specifications for the school house to be erected here.

A Mr. Jones, from Nebraska, has purchased 20 acres from M. B. and D. Bump. The tract lies just outside of the Cornelius Environs on the north. The consideration was \$1700, and the deal was made through the agency of Phelps & Fitch Land Co. Mr. Jones intends to build a cozy home on the property.

Everything is being shaped for the big Fourth of July celebration to be held in Cornelius. A committee was out this week soliciting for funds among the business men and met a hearty response. Some concessions have already been let out to various parties and indications are favorable for an eventful celebration. The Washington County Veterans' Association decided at their semiannual meeting to go into camp on the local grounds and they will assist materially in making the celebration a success.
