A STEADY DRAIN

Sick Kidneys Weaken the Whole Body--Make You Ill, Languid, Depressed

Sick kidneys weaken the body through the continual drainage of lifegiving albumen from the blood into the urine, and the substitution of poisonous uric acid that goes broadcast through the system, sowing the seeds of disease. Loss of albumen causes weakness, languor, depression. Uric poisoning causes rheumatic pain, nervousness, nausea, cricks in the back. gravel and kiddey stones. The proper the best remedy is Doan's Kidney Pills. Great Forest Grove cures prove it.

Mrs. E. H. Coleman, living cor, Sixth and Third Sts., Forest Grove, Ore., says: "Doan's Kidney Pills prov. d of great benefit to me. Some time ago I was attacked with sharp pains through my loins and limbs and pair a through my back so acute that I was hardly able to get arousd. Doan's Kidney Pills were so highly remended to me, that I procured a box and they helped me from the first. I have had no return of the co plaint since and feel that I can recommend Doan's Kidney Pills with great confidence."
