ROY.

Farmers of this section are jubilant over the good sunshine after the prolonged rains of the season. Grass and crops are looking fine.

Roy was defeated last Sunday in a hot game of base ball by the Banks Outlaws by a score of 3 to 7. The Dutch team was weakened considerably by the absence of the Jasper boys.

Her many friends mourn the taking away of Miss Carrie Mills who died at the home of her parents, Mr. and Mrs. A. W. Mills, in this vicinity May 14. Death was the result of an attack of typhoid fever. Miss Mills was a native daughter of the county and received her education in the Forest Grove public school.

Boos' building rock and shingles can be had at Roy. 47-2t.

ALL TIRED OUT.

Hundreds More in Forest Grove in the Same Plight

Tired all the time;
Weary and worn out night and day
Back aches; side aches,
All on account of the kidneys.
Must help them at their work.

Mrs. A. Whitcomb, living on Edison st., Hillsboro, Oregon, says: "I had been bothered with kidney trouble for a long time, as a result of this trouble, I endured a great deal of misery. My kidneys were very frequent in action and gave me great annoyance especially at night. As the result for the loss of rest, would arise in the morning feeling tired and worn out when I attempted to sleep or if anything sharp pain would shoot through the small of my back and I would suffer intensely. I took two or three different remedies but did not find relief. At last my attention was drawn to Doan's Kidney Pills, and I procured a box. The pains and aches soon vanished, my kidneys were regular and normal and I have not had a return of an ailment since. I can recommend Doan's Kidney Pills very highly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

TO REPUBLICAN VOTERS

AN OVERWHELMING majority of Oregon's voters by registration have formally declared that they believe in the principles of the Republican Party. Let them now show that they are honest by voting in accordance with their declarations. The Oregon election comes before the Republican National Convention. Let every Republican voter in the First Congressional District uphold the honor of the Republican Party in Oregon and strengthen the influence of Oregon's delegation in the National Convention by voting for H. W. Cake for United States Senator and W. C. Hawley for Representative in Congress. If either of these Republican nominees fail of election the primary election system will be discredited and a return of boss rule will be invited. The good name of Oregon's voters will be smirched and Oregon's delegation to the National Convention will be placed in a humiliating position. For the effect it will have on the November election it is imperative that the Republican nominees in the June election shall be elected by an overwhelming majority. As a believer in the principles of the Republican Party it is your duty to be at the polls June 1st, and vote for Cake and Hawley.

Business Meeting of Women's Club.

The business meeting of the Women's Club was held in the Congregational church parlors Tuesday afternoon with Mrs. Belle T. Hoge, president, in the chair.

Officers and leaders of departments read reports on the work of the year, showing the club to be improving and progressing; the treasurer's report showed a most satisfactory balance. But little delay was occasioned when it came to the election of officers, the result of which was as follows: Miss Mary F. Farnham, president; Mrs. E. E. Williams, vice president; Mrs. J. A. Abbott, secretary; Mrs. E. H. Brown, corresponding secretary; Mrs. C. V. B. Russell, treasurer; Mrs. L. L. Watt and Mrs. W. N. Ferrin members of the executive board; Mrs. Chas Hines, Miss Farnham and Mrs. F. J. Miller with Mrs. J. A. Abbott and Mrs. D. Feur alternate delegates to the State Federation which will meet at LaGrande in October. Leaders of departments for next year: Domestic Science, Miss Estelle Elliott, president; Mrs. Chas. Hines vice president; Miss Minnie Myers, secretary and treasurer; Mrs. H. Gould, Chautauqua circle class.

The executive board surprised the club members by inviting them into the dining room for refreshments, Mrs. Hoge and Mrs. Hughes serving from a table beautifully decorated with trailing sprays of pink roses. After an hour of social pleasure the third year of the Women's Club closed, to begin work again in October.

Union Memorial Services.

Beautiful and impressive union Memorial services were held at the Congregational church Sunday morning. Every seat in the main house was occupied and the side doors had to be opened to admit of the large congregation which sang and listened well—especially, "Onward Christian Soldier." Miss Maud Shannon sang beautifully

"America" which thrilled the vast audience with fine patriotism and inspiration. Rev. Gould offered up the prayer and read the scripture lesson and the Congregational church furnished special music.

In speaking of "Peace," Rev. Boyd said that war is truly hell; whether it be war of fighting armies or individual hatred. This is the least military of ages but there is still war of classes—conflicts between labor and capital, strikes, home discords, divorces, assaults; which are deeds of hatred and strife. "Blessed are the peacemakers for they shall be called the sons of God." Physical courage is less to be admired than moral courage; it is the moral courage for which we love our heroes. There is no peace for the wicked—no place for graft, evil influence or whiskey. To have peace war is many times necessary.

In the evening union services were held in the Methodist church, when Rev. Hiram Gould hit the liquor business a hard jolt and stated that a whiskey article appearing in last week's issue of the Times and signed by one E. Ward was a paid liquor advertisement containing misstatements. "They dare not tell the truth," he said, "Ananias would feel proud if he were here to think he was so truthful."

In speaking upon the enforcement of prohibition he cited many places where the law has been maintained by single individuals. "Saloon men say that there is more liquor sold under prohibition than license. It seems then that they should want prohibition." Rev. Boyd also spoke on the subject.

Last Saturday, Mrs. J. A. Abbott entertained the Chautauqua class of the Woman's Club. A very dainty luncheon was served. A few guests were present: Mrs. Chas Hines, Mrs. E. Meresse and Mrs. W. B. Haines.

Abolish Merciless Fishwheels Says David Starr Jordan President of Leland Stanford University Writes on the Columbia River Salmon Crisis.

Stanford University, Cal., May 13, 1908.—Mr. Edward Rosenberg, Astoria, Oregon: In response to a request from Mr. Hylan I am giving you my opinion as to certain matters connected with salmon fishing in the Columbia. As you know, I was the first Commissioner ever sent out to investigate the salmon. I spent some time in Astoria in 1880 and I have made a number of visits there or farther north in the same interest since then. I have not changed my opinion in this time as to these matters.

(1) The fish wheel and the stationary trap in the Columbia River should be abolished. It would be well for the fishing interests of the country if the stationary trap in all of its various forms was everywhere eliminated, for this is the most destructive and indiscriminating kind of fishing. On the Columbia, where the river is narrow and swift, the fish wheel is not only very destructive, but has the additional evil effect of (a) taking work from the fishermen, and (b) of taking the fish when they are not in the best condition, for fish for canning ought to be taken in tide-water.

(2) It would be well if all fishing on a large scale above tide-water in the Columbia should be prohibited.

(3) I would also recommend that a careful study of gill-net and similar methods of fishing be made, with a view to the ultimate interest of the fishing industry, as even if worse forms of fishing were eliminated, there are still perhaps too many gill-nets for the size of the river.

To prohibit gill-net fishing after dark would virtually destroy the effectiveness of that industry at all times

when the water is clear.

Very truly yours,
DAVID STARR JORDAN.

Oregon Grange Speaks.

The Oregon State Grange passed the following resolutions at its meeting this month:

Whereas: There has been referred to the Committee on Resolutions for consideration the two fish bills relating to the fishing industry to be voted on at the June election, bills No. 319 and 332, respectively:
Your Committee has carefully examined into these two bills as far as their time would permit and have to report that we favor proper protection to all natural spawning grounds; and to that end we condemn as a great detriment to said industry and to our State the operation of fish wheels in the narrows of said river and demand and urge the passage of a law removing the same and also further recommend that said law shall be so constructed as to remove all traps from said stream.

Labor Federation.

The Oregon State Federation of Labor has also endorsed the same proposed legislation.

I hereby announce myself as an Independent Republican Candidate for the office of County Clerk at the county general election. I beg to state that my action in this matter is governed solely by the urgent and repeated request of many leading citizens of Washington County. I further assure the voters that it was only after being fully convinced that my candidacy for said office was earnestly desired by the people that I consented to permit my name to be used. Now that I have taken this course I feel that my record is sufficiently familiar to all voters of this county to warrant my assurance, that if elected, I will perform the duties of said office in a manner satisfactory to all citizens of this county, and that I will accord to each and every one the courteous treatment rightfully expected of a public officer.
