## MISS SEWELL GRADUATES FROM CONSERVATORY OF MUSIC

A Well Rendered Program From Noted Artists—Miss Clapp Assisted in Closing Number

Last Wednesday evening Miss Alice Sewell gave her graduating recital of the Conservatory of Music. There was a very good audience in attendance and between the numbers the pianist was loaded with beautiful bouquets of roses.

The first number, "Bourree" from the first English Suite of Bach is a composition very difficult of interpretation and Miss Sewell brought out very well the marked themes constantly reappearing. The Beethoven Sonata op. 26, is as difficult as it is long and its preparation required an immense amount of work. The variations were beautiful but the Funeral March was superb, and was played with a full appreciation of its solemn grandeur.

The Chopin Etude and the "Intermezzo in Octaves" by Leschetizky were among the best numbers on the program. Both are written largely in octaves and are exceedingly brilliant. Miss Sewell's octave touch is one of her strongest points and after the tremendous close of the Intermezzo she recalled several times.

The "Slumber Song" by Schytte is a sweet and tender little melody and its beauty was all the more effective after the preceding number. The Schubert-Liszt number "Soiree de Vienne" was of an entirely different style and was played with truly artistic taste. It is full of sharp contrasts and the most quiet little themes are often followed by passages of the greatest dash and brilliancy. Miss Sewell is to be congratulated on her poise and self-control. The lights winked suddenly out, and the music didn't! The pianist kept on and when the lights came on in a moment she was apparently as calm as if she had forgotten to notice the omission.

The final number was the variations in E minor written by Christian Sinding for two pianos. Miss Frances Clapp assisted in this number. This composition is said to be the longest two piano piece written. Sinding's achievement consists in his adaptation of the broad theme of the symphonic composition to the narrow scope demanded by the necessity of confining it to the two pianos. The delicate effects in the allegro were especially adapted to Miss Sewell's temperament and the heavy effects of the march movement were brought out in the brilliant manner characteristic of Miss Clapp. Both young ladies are to be complimented on the exceptional work and fine interpretation of such a wonderful composition.

### Seniors Entertained.

Miss Frances and Mr. G. A. Clapp gave a farewell party to the members of the senior class Saturday evening. A daintily prepared supper was served. Two plates were draped in black to the memory of Messrs. Arnston and Aller, two absent members. The future history of many of the members was discussed.

Misses Bertha Koerner, Evelyne Orr and Goldie Peterson were guests of Miss Mary Heidel at her home in Hillsboro Saturday and Sunday.

Mr. John Peters was a judge at the meet Saturday.

## McMINNVILLE EASILY DEFEATED

Track Season Closes Without a Single Defeat Against our Team—Exhibition Runs Given.

With the grandstand full of people and colors flying, amid the strains of sweet music floating through the air, the "Olympian" Candidates from McMinnville College were defeated by the varsity track team Decoration Day by a 70 to 46 score.

In spite of the fact that there were two ball games in town the meet was well patronized. The visiting team was accompanied by the college band and a large delegation of rooters. Our own institution was there in a body and with the two bands to furnish music the teams could not wish for better support.

College Spirit and enthusiasm ran high throughout the entire meet. College songs were sung and yells were freely given as the different men tried their events.

Williams and Pettit were the star performers for the Baptists as they easily took first and second in the dashes. Pettit a new man at the game and will develop into a wonder in the weights.

The rooters for the visitors were very jubilant during the first half of the meet as the score at one time stood 30 to 15 in their favor, but when Alex Robinson and Dick Abraham clipped off the half and the mile, their enthusiasm subsided somewhat. Things began to come our way and the bulletin board was eagerly watched by the excited crowd. McMinnville was weak in the discus and hammer, and when Mayfield threw the discus out into a neighboring wheat field not a sound could be heard in the east end of the grand stand.

The Pole vault was the hardest contested event of the day McKee for McMinnville and Ferrin for P. U. tied for first place at 9 ft. 6 in. The bar was then raised to 10 ft. McKee finally winning at that height. Ferrin however surprised the crowd by taking first in the high jump.

After the meet, Forrest Smithson, the world's champion hurdler, ran an exhibition 120 yard hurdles in 15 seconds, tying the world's record. Coach Hahn, the holder of six world's records in the sprints, also ran an exhibition 50 yard dash, time 5-1. Much credit is due "Yell Leader" Gwynn for his activity on the side lines with his megaphone.

Saturday's meet closed the Athletic season for Pacific, without a single defeat and the members of the team feel very grateful to Coach Hahn for his instructions and his success in putting out a winning team. The results of the meet were as follows:

120 yd. hurdles—R. Robinson (P. U.) Galloway (McM.); McKee (McM.); time 17-1.

220-yd dash—Williams (McM.), Pettit (McM.), Humphreys (P. U.); time, 23.4.

Shot-put—Pettit (McM.), Mayfield (P. U.), Waterman (P. U.); distance 37.11.

### Y. M. C. A.

The meeting was devoted to the cause of Missions, and was led by Mr. A. C. Allen, chairman of the Y. M. C. A. Missionary committee.

Mr. Allen said "one of the principal objectional features of missions is our

## What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, rapid liver with indigestion, and expense. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz., Golden Seal root, Stone root, Black Cherry bark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of just such ailments as the above symptoms indicate: Prof. L. Bartholow, M. D., of Jefferson Med. College, Phila.; Prof. H. C. Wood, M. D., of Univ. of Pa.; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. D., Author of American Dispensary; Prof. Jno M. Scudder, M. D., Author of Specific Medicines; Prof. Lawrence Johnson, M. D., Med. West Univ. of N. Y.; Prof. Finley Ellingwood, M. D., Author of Materia Medica and Prof. in Bennett Medical College, Chicago. Send name and address on Postal Card to Dr. R. V. Pierce, Buffalo, N. Y., and receive free booklet giving extracts from writings of all the above medical authors and many others endorsing, in the strongest possible terms, each and every ingredient of which "Golden Medical Discovery" is composed.

own lack of preparation and knowledge of missions.

The study of missions not only creates an interest in missions, but it broadens the intellect and widens the sympathies. No man is fully educated without this knowledge of missions.

The need for workers both in the home and foreign fields is great, and the call comes more and more upon the great student body of America.

What work is more noble than this mission work? What is more valuable and precious than a human soul? Jesus Christ said "Go ye forth into all the world and preach the gospel to every creature."

The Missionary Committee will offer an interesting course in Missions next year. Be wise and take advantage of the opportunity.

## ENTERTAINMENT COURSE FOR '09.

Athletic Committee to Have Charge of Program—Local Talent to be Used.

At a recent meeting, the Athletic Committee discussed and formulated plans for a complete course of entertainments for the coming year. The series is to be given by local talent altogether and the proceeds will go into the athletic fund.

Definite plans have not yet been

made as to the character of each entertainment. A committee consisting of Prin. Bates and Messrs. Gwynn and Ferrin was appointed to perfect arrangements and take charge of the entire course next year. The Public Speaking department will be largely represented and Prof. Orr has consented to give an impersonation somewhat after the character of "If I Were King." Talent from Portland will also be represented to a limited extent.

The committee will try and make the course as varied and interesting as possible. Heretofore entertainments given by comparatively local talent have been more popular and far more remunerative than those brought from other parts. This sort of financial backing appears a necessary part of athletics and outside courses in the past have not been successful in this line. The Athletic Committee this year, after securing the valuable services of Coach Hahn, finds itself in fairly good financial condition. Hence the committee is anxious to make the coming year even more successful and the proposed course is a means to that end.

Miss Farnham was a Portland visitor Wednesday.

Miss Frances Abernethy spent the last of the week at home.

Miss Waggoner was the guest of Miss H. Chandler over Sunday.

Announcements are out for "Our Boys" to be given during Commencement week.

Miss Hawley was called home Friday on account of the death of her grandmother.

Mrs. Margaret McCrum Byrd, a member of the class of 1885, visited chapel Friday.

Miss Bain and Miss Inez Luce will leave immediately after Commencement for Miss Bain's ranch.

The Markel brothers are expected the latter part of this week or the first of next from California.
