PRUNE MEN COMBIN

Left to New York Exchange -Also Instruct Growers.

Salem, Or., June 30 .- Representating of all the prune packers of the Name west met here last night and organize an association for mutual protects and promotion of the interests of the business.

The organization is one that has long been desired by some of the packen, but which could never be effected here tofore for the reason that competition ers will work together for their con

ers will work together for their ton-mon interests. The association will control all the Northwest prune pack. Among the packing houses in the or-ganization are H. S. Gile & Co., Wil-lamette Valley Prune Association and W. C. Tillson & Co. all of Salar a W. C. Tillson & Co., all of Salem; Roseburg packing houses, owned by 6 & Co. and Tillson & Co., Allen's par ing house, of Eugene; Lang & Ca., Portland; Mason, Ehrman & Co., Portland; French Packing Company, Myrtle Creek, and the packing house a ancouver, Wash.

The new association has formulate two forms of contracts which all the firms in the combine will use. Or ontract is that to be used in selli fruit to eastern buyers, and the other in buying from local growers. The packers have determined that they mill no longer sell according to forms of contract put out by eastern buyer but will dictate the terms of these tract or not sell at all.

The new contract contains a number of provisions favorable to Oregou makers. It gives the packer unlimited shoice in selecting an arbitrary as a dispute where, as in the past, the arbitrators have been chosen from the New York Fruit Exchange. The new ca-tract gives the packer the privilegent filling his contracts with smaller size

of prunes if the crop produced does us contain the required quantity of large sizes. It gives the packer the right a route the fruit in shipping. It exempts the packer from liability in case ship

is delayed by congestion of nent traffie. It provides that in case of dispate

as to quality, samples for test shall be taken from one fifth of the boxes of fruit; that no allowance for shot weight shall be made unless it amounts to more than one per cent, and that is the counting test the size shall include the seventh prune and not the fifth only, thus, that 47 prunes shall be deemed in the 40-50 size and not 45 only.

The new form of contract with growers will be very explicit in requiring growers to deliver fruit cured in a fineclass manner, free from all burned a slack-dried fruit. The packer is to b
