Quite an exciting time was experienced Monday afternoon near Beimrohr's mill, as a large slashing caught on fire near the mill which made things interesting for a time. The fire alarm was given by both whistle and telephone and the neighbors responded promptly. We were glad to see our Hillside neighbors come to our assistance in time of need. No serious damages have been reported except a lot of brush, logs and some old fences were turned to ashes. The people worked manfully and kept it at bay. It broke through their fortifications several times but was soon captured.

A STEADY DRAIN

Sick Kidneys Weaken the Whole Body--Make You Ill, Languid, Depressed

Sick kidneys weaken the body through the continual drainage of life-giving albumen from the blood into the urine, and the substitution of poisonous uric acid that goes broadcast through the system, sowing the seeds of disease. Loss of albumen causes weakness, languor, depression. Uric poisoning causes rheumatic pain, nervousness, nausea, cricks in the back, gravel and kidney stones. The proper treatment is a kidney treatment, and the best remedy is Doan's Kidney Pills. Great Forest Grove cures prove it.

Mrs. E. H. Coleman, living cor. Sixth and Third Sts., Forest Grove, Ore., says: "Doan's Kidney Pills proved of great benefit to me. Some time ago I was attacked with sharp pains through my loins and limbs and past through my back so acute that I was hardly able to get around. Doan's Kidney Pills were so highly recommended to me, that I procured a box and they helped me from the first. I have had no return of the complaint since and feel that I can recommend Doan's Kidney Pills with great confidence."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
