Tires Set Quicker and Better

And Will Run Longer Without Loosening Than Is Possible When Set the Old Way. You Will Not Be Out the Use of Your Vehicle, as it Requires But a Few Minutes to Do the Work. No Charred Surfaces to Wear Away and Loosed the Tire. No Overdriving Wheels or Splitting Fellos or Cutting Out Too Much of the Rim. The BROOKS Sets Them in a Mechanical and Scientific Way. The BROOKS COLD TIRE SETTER compresses the metal cold. No steam and water-soaked fellos to shrink away and loosen the tire; to burnt paint to replace. It gives just the amount of dish required. (The United States Government Finds the Cold Process the Best and has Adopted the BROOKS at the Shops of the U. S. Forts and the Department of the Interior.)

"The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgement are affected, and many an evil deed or impure thought can be directly traced to the impurity of the blood. Foul, impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It purifies and purifies the blood thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by inclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pills regulate and invigorate stomach, liver and bowels.
