**WATTS DISTRICT.**

Mrs. S. P. Senger spent last week in Portland.

Mr. Savage of Sheridan, purchased A. M. Bisbee's drove of cattle Monday.

The fair and carnival at Hillsboro, attracted quite a number from this direction.

E. M. Sorber of Portland, spent a couple of days last week with his friend D. B. Adams, on the Watts ranch, and secured a number of pheasants.

It pays to advertise in The News. Two weeks ago we mentioned the unsafe condition of the Gales Creek bridge here, and last week the road commissioner had it repaired in fine shape.

Last Friday Dr. Brown of Forest Grove assisted by Dr. Tamasi of Hillsboro, performed an operation on Mrs. Wm. Johnson who has been very ill at the M. Bisbee home for some time. The patient is now on the road to recovery.

**EAST GASTON.**

Lots of burning being done now.

L. L. Paget spent part of this week at Wapato View.

New steps have been built for the Hill school house recently.

We are wondering where the rain has gone. Too dry to put in crop.

A. B. Macgie is moving this week to the Alexander place north of Dilley.

The youngest child of Mr. Forsburg has been very sick but is better at this writing.

Misses Laura and Mildred Forsburg went to Portland Tuesday to resume their work there.

The work on Spring Hill school house has been greatly delayed on account of the lumber not being delivered.

The Burkes have moved from the Loomis place to the place they have rented near Thatcher, and T. Russell's have moved in.

Chas. Crumcan was taken very ill Tuesday. When he got home with the milk wagon he could hardly speak. He had some throat trouble and a very high fever.

Mr. Soule, who has recently purchased a portion of Jno. Pritchard's place, has moved on and put up a small house and barn and is doing some clearing.

—Money to loan on farm security W. H. Hollis.

The News \$1.50 per year in advance.

**DILLEY.**

W. E. Pegg Sr. is very sick.

Mr. N. Peterson was home over Sunday.

Mr. Chas. Hubbard spent Monday in Portland.

Dilley was well represented at the fair in Hillsboro.

Inez and Minnie Peterson have returned from their Portland visit.

Miss Lizzie Briggs is home again from a three week's visit in Washington.

Sam Turner wife and baby, who have been visiting his father, have returned to Portland.

Dilley was again honored with both prizes at the Baby show in Hillsboro. Ben Hoskins' little baby girl received the first prize for being the prettiest baby girl, and Robt. Alexander's Baby boy carried off first honors for being the most handsome baby boy. Dilley ought to be proud.

**CORNELIUS.**

The buildings going up on our new additions are being built on concrete foundations and are expected to stay.

The coming of the electric line to Cornelius has awakened the people to the fact that there is a future for Cornelius.

Rev. M. F. Davis has been assigned to Cornelius by the M. E. conference and preached here last Sunday morning and evening.

Many of our people attended the fair at Hillsboro. A county fair in which the whole county would participate would be eminently proper.

Mr. Lingenfelter and family have come from Middleton, Idaho, to reside among us, and are residing on the A. B. Lewis place, which he has bought.

J. A. Long has sold his ranch in Mountindale, and has bought property in Talbot's addition to Cornelius. He has bought some fine lots and will build at once.

There is material hauled on the ground for the new depot building, which is guaranteed to be equal to the buildings to be erected in Hillsboro and Forest Grove.

M. R. Cheney is building up a fire trade in the tin and book business. Will mend your milk cans, put up your eave troughs or sell your books or pictures. Give him a call.

Mr. Hammock of Scoggins Valley, has purchased C. A. Whitmore's place, consideration, \$3600. Mr. H. has secured a fine home and we are glad to welcome him to our city. Mr. Whitmore is troubled with his eyes and his physicians recommend rest and quiet. We are glad to learn that he is not expect-

ing to leave us. The P. F. L. Co. made the deal for the place.

V. Ballard and Mr. Lingenfelter took a trip up into the mountains on the upper Nehalem for the purpose of hunting deer. They returned Monday, but there has been no venison distributed among their neighbors up to date.

Our new school house is fast nearing completion, and from the number of young married people who are securing homes in the new additions and adjacent to Cornelius, we realize that we will be compelled to duplicate the building in the near future.

Mrs. Odell of Hood River, has been visiting with the families of W. E. and Michael Neff. She is much pleased with the country and outlook, and thinks of purchasing a home here in the near future. They are of the right sort and we sincerely hope it may be soon.

Park Place Addition is another extension to our city, and furnishes an excellent opportunity for people to obtain homes. The lots are double the usual size and are cheap. The addition is in the hands of Phelps-Fitch Land Co., and will go like the proverbial hot cakes.

Fred Walton, who was injured last week in his gasoline engine and lost his right arm, was out as far as the barber shop Monday. Fred don't walk at his usual pace yet, but he always gets there just the same, and in three weeks' time will have half the men, with his one arm.

Thomas Talbot has platted a young city as an addition to Cornelius. He placed them in the hands of Phelps-Fitch Land Co. for sale. There is only a small number not sold at this writing, and the property has only been on the market about four weeks. There are five new houses going up on the addition.
