H. L. Cowles, a Yamhill county sawmill man, has sued the Gaston Lumber Company, whose principal owner is A. H. Tanner, the late ex-Senator Mitchell's law partner, for \$237.50 and costs of the suit. Cowles alleges that he hauled his mill machinery from North Yamhill and located it on the Tanner tract, under contract, and that he was later obliged to put a lien on some ties that he had sawed. He now asks that the ties and lumber be sold to satisfy his demands.

EASY TO MIX THIS.

Prepare at Home by Shaking Ingredients Well in a Bottle.

What will appear very interesting to many people here is the article taken from a New York daily paper, giving a simple prescription, which is said to be a positive remedy for backache or kidney or bladder derangement, it taken before the stage of Bright's disease:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in bottle and take in teaspoonful doses after each meal and again at bedtime.

A well-known druggist here at home, when asked regarding this prescription, stated that the ingredients are all harmless, and can be obtained at a small cost from any good prescription pharmacy, or the mixture would be put up if asked to do so. He further stated that while this prescription is often prescribed in rheumatic afflictions with splendid results, he could see no reason why it would not be a splendid remedy for kidney and urinary troubles and backache, as it has a peculiar action upon the kidney structure, cleansing these most important organs and helping them to sift and filter from the blood the foul acids and waste matter which cause sickness and suffering. Those of our readers who suffer can make no mistake in giving it a trial.
