**Years have no effect on our Furniture**

Having selected a piece of Furniture, don't bother about whether it will be stylish or not in a few years.

QUALITY is the chief consideration. With quality apparent at a glance with genuineness in its very looks, a piece of Furniture is sure to be admired for all time.

This is where THIS STORE enters into the transaction.

For we are terribly particular about quality—we were going to say TOO particular, but that is impossible.

Anyway, we can let you own the very newest creations in Furniture at prices that no one can get under unless willing to lose money.

Call.
