STATE STUDENT VOLUNTEER CONVENTION

The Student Volunteer Convention for this state is to be held in Salem from the 11th to 13th of March. This convention is for both the young men and the young women and promises to be a meeting of unusual interest and enthusiasm. Speakers of importance from different parts of the country are to be there as well as the general secretaries of the Northwest. The State Oratorical Contest is to come off at Salem the evening of the 11th, so every one ought to make an effort to be there for both meetings. Can't Pacific be represented by fifteen or twenty delegates at these two meetings in Salem? Remember the date, March 11 to 13.

We have several applicants wishing farms to rent either on shares or for cash.

SOME POINTS WORTH READING

We are not in the world by chance or accident but by design and purpose of God.

The tempted man is the man of whom the devil is most scared and he is trying to down him.

The supreme problem of man is to find his God given work in the world and get at it. Work is not a curse but a blessing. All work that needs to be done God wants someone to do. All work is worship or it is wicked.

Most men do not choose a life work they get a job. Their main object is not a mission but money.

Most men fail not because they choose wrong but because they do not choose at all. What God wants done, man can afford to do.

There are 2060 student associations with a membership of over 138,000.

The saddest thing in the world is a man going thru life exerting only half of the spiritual power that he might.

DEBATE WITH CORVALLIS SET FOR APRIL 13

The debate council has been busy the past week making arrangements with the Oregon Agricultural College, for a dual debate to be held April 13, here in Forest Grove. Corvallis is to submit the question to P. U. by 5th of February, so the men may begin work on it practically at the beginning of the semester.

Although O. A. C. gives attention to science rather than to the more liberal education favored here, they have done good work in debating the past years and our men cannot sit idle if we are to win next April. This is the first time we have ever debated with O. A. C., and it is up to us to defeat them if we are to live up to our reputation of putting out some of the best debating teams in the Northwest.

The debate council is also trying to secure a debate with Whitworth College but no definite announcement can yet be made.
