The Holy City Oratorio to be presented in this city by the Congregational Church Choir, on March 21st, is the most difficult undertaking attempted by local talent. Many weeks has been spent in preparation and a fine performance will be the result. An orchestra has volunteered which adds greatly to the beauty of the music. The proceeds are to benefit the High School music and the Congrega-

## tional Chorus Choir.

The local lodge K. of P. will dedicate their new hall and hold a district convention Saturday evening. The grand officers of the lodge will be present, also delegations from McMinnville, Yamhill, Gaston, Hillsboro, Cornelius and Glencoe.

## Kissing said to be bad.

Kissing is the most certain way of communicating tuberculosis from one individual to another, according to Dr. M. P. Ravenal, member of the faculty of the University of Wisconsin and a leading spirit in the Wisconsin Anti-Tuberculosis society.

Still, Dr. Ravenal believes, we may or may not have tuberculosis, but we must have kissing. "Kissing is risky", the doctor told an audience recently, but it is a poor sort of fellow who will not take some chances."

The lecturer also added that he believed that the night air was the purest to be breathed and he said that sweethearts especially should not be interfered with when they sought to enjoy it together.

## School Notes

The English classes are very much interested in their work this term.

The new class in Geometry is starting off nicely and promises good work.

Fifteen minute recesses will begin Monday and then school will be out at 4 p. m.

The class in Botany has been divided so that more individual work can be done.

Pupils and teachers are striving to bring up the work in good shape at the end of the year.

Miss Swanson visited in Portland Monday and made her report to the teachers Tuesday evening.

The entertainment Saturday evening was a success as far as student work was concerned but the attendance was very small.

It is expected that another manual training class will be added next week. The boys and girls are all doing some very creditable work.

A number of pupils from the seventh and eighth grades have quit school and are now ready "in their estimation" to go out into the world and earn dollars. If they would only listen to advice of parents and teachers they would surely not be in such a hurry to leave the school room. They will always find themselves handicapped in the work of life and cannot be such help to themselves and to others as they could if better prepared.

Tardiness has become almost a crime in our school and this week Supt. Gardner offered three pictures to the three rooms having the fewest tardy marks for February. The pictures were distributed as follows: High School Building, room 8 and room 6, Lincoln Building room 1. Each of these rooms had three marks last month. This month the pictures go to rooms having the best marks. Any room keeping a picture three months in succession retains the picture permanently.

## Some of our claims

We don't believe that you can find a better all round place to fit out the home than right at this store.

We don't believe that you can find a place that will deal more fairly with you than we will.

We don't believe that, dollar for dollar, you can do QUITE as well anywhere else.

Those are our claims—to prove them is our aim.

Will you give us an opportunity to do so the first time you are needing something in our line?
