

Save 80 per cent How? By buying Non-Alcoholic Extract and Spice.

When you buy a 25 cent bottle of extract you get 20 cts. worth of alcohol and only 5 cents worth of the actual flavor.

In using the non-alcoholic you only use one tenth as much, so the saving is actually more than 80 percent, and these products are absolutely guaranteed by the manufacturers.

The non-alcoholic is put up in tubes of two sizes, 25 and 50 cents, and as they are air tight they are sanitary, economical, and handy as they require no spoon for a measure. There is nothing to break, no cork to loose, require little room, and are in all ways better and more economical. The non-alcoholic is put up in all the following flavors:

Flavors (in 25c and 50c Tubes)

Crater Road To Be Built.

Notwithstanding the recent adverse decision of the Supreme Court of Oregon, Medford will build the Crater Lake road.

It will also ask the government to extend to it the same aid promised to the state of Oregon before the state supreme court by its adverse decision of the Crater Lake road case put an end to all hopes of federal aid.

Medford men have banded together and agreed to raise \$100,000 in \$100 subscriptions for the construction of the proposed road from Medford to Crater Lake. The work will also be done from the Jackson county end alone. Klamath county or Klamath Falls not being asked to join in the work. This money has already been guaranteed.
