

Are you interested in the education of the children of Washington county? Are you anxious to see your district school supplied with an organ or a well selected library? Read the phenominal offer of the PRESS and learn how you can help along the cause of education. FOR THE NEXT 90 DAYS

The Press Will Donate
to the Schools of
Washington County
50 PERCENT 50
of all subscriptions received

Until June 15, fifty cents of every dollar received for one years subscription to the PRESS will be donated to the school in the district in which the subscriber lives, to be applied upon the purchase of an organ or library. If the school already has an organ and library, then the donation can be used for the furtherance of the cause of education in such manner as the principal or teacher, and scholars, may deem the most advisable.

A list will be published each week in the columns of the PRESS, showing the number of subscriptions received from each school district, and the amounts paid such districts at the time of going to press.
