### Some of our claims

We don't believe that you can find a better all round place to fit out the home than right at this store.

We don't believe that you can find a place that will deal more fairly with you than we will.

We don't believe that, dollar for dollar, you can do QUITE as well anywhere else.

Those are our claims—to prove them is our aim.

Will you give us an opportunity to do so the first time you are needing something in our line?
