Here's a beautiful picture of "Home, Sweet Home," not the one of the old sweet home; but a modern home, built by turtle doves, who sing through the whole day long. They have only been married just one short year, but ah, what a happy pair, and love shines out at the window, and love sits in every chair. Each room in the house is a little gem, the furnishings bright and new, and while not the most expensive, they're handsome and tasty too. The wife is as pretty as she can be and wise as she's pretty besides. She used Ch-Namel on all the floors, and re-

commends it to brides. The Ch-Namel Ready-to-Use Graining Process will make any old floor look like new hard wood. It covers all stains and blemishes and makes a new surface. Sold by Mertz & Latta.
