

**Additional Local Items
of General Interest**

Roy Fogle was in Portland Sunday.

Special prices at Miller's, the cut rate drugs store. 36-2t

George S. Allen made a business trip to Portland yesterday.

Miss Liberta Brown is visiting her father, Alvin Brown, in this city.

For scientific shoeing go to Harris & Markham. They guarantee the results. tf

Mr. and Mrs. Arthur Knox of Scoggins Valley were in this city on business Wednesday.

Does your watch keep time? If not, better leave it at Shearer's for an overhauling. tf

The flooding of the streets near Goff Brothers store yesterday was occasioned by workmen taking out the old hydrant.

Now is the time to purchase that range you want. The best that are made can be had at Hinman's. tf

James Robb, a former student of Pacific University, now farming east of Greenville, was doing business in this city Tuesday.

J. B. Matthews wishes to show you the new "Union" jack; for lifting, setting tires, stretching fence and many other uses. Always handy. tf

Miss Katherine Shannon and her Uncle, Geo. McGee, of McGeesport, Pa., accompanied Miss Langley to the Langley camp on Rhoderick creek Wednesday evening.

The blowing out of a plug in the water pipe in front of the PRESS building this morning, flooded the street and caused a commotion among the early risers.

The change in the schedule of the S. P. trains is as follows: No 3, South bound, passes Forest Grove station at 6 p. m.; mail closes at 5:40. Portland bound train No. 4 passes station at 8:22 a. m.; mail closes 7:55.

Dr. C. L. Large reports a son born to the wife of Benjiman Bennett of Thatcher last Tuesday. Parties wishing the attendance of Dr. Large in this class of cases, will greatly oblige him, if convenient, by engaging his services two or three months prior to the expected event.

The new Methodist church is fast assuming form. The building is enclosed with shiplap, the window frames are in, and sheet-

ing is being put on. The building is now at such a stage that a good idea may be obtained of its general proportions.

Miller, the druggist, carries the largest stock. Prices cut. 36-2t

Mrs. Zu Clarke is visiting relatives and friends in this city. Zu and Archie are with the United Railways surveying people.

YOUNGLADY WANTED—To learn typesetting. Must be high school graduate and WILLING TO LEARN. Apply Press Office.

Dr. Semones. Homeopathic Physician and Oculist. Does no surgery. Office at residence. 319 North A street. Ind. Phone 3625. tf

Professor Baker, of the chemistry department of Pacific University, has resigned, and will become superintendent of public schools at Manistee, Mich.

Some miscreant gave a dose of poison to the fox-terrier owned by Harry Underhill Tuesday evening. Timely action saved the life of the dog, which is a family pet.

First Congregational church. Pastor, D. T. Thomas. Sermon subjects for Sunday, at 11 a. m., "CANDLES UNDER BUSHELS." 8 p. m. in the tent "THE JEW AND THE NEGRO."

The tent meetings being conducted on the Congregational church square are well attended each evening and much interest is being manifested. Rev. Paddock is an eloquent and forceful speaker, and his sermons are much enjoyed.

The PRESS writer has received a letter from Gordon Brown, working with the United railway surveying crew on Wilson river. Gordon says it is a strenuous life, but he is becoming inured to its hardships, and feels like a street car horse in a green pasture.

Mrs. M. E. O'Neil of this city, will leave Seattle Sunday for Alaska, where she will visit the family of her brother-in-law, O. C. O'Neil, for a month. Mr. O'Neil is the constructing engineer in charge of bridge building on the railroad being built from Cordovia to the copper mines.

J. D. Mickle, a prominent dairyman of Thatcher, who was one of the speakers at the meeting held here Tuesday, has handed the PRESS an account by him of the returns of 9 cows for a period of 9 months, beginning last September, which shows a total receipt of

\$1045.51 or an average of \$116.17 per month.

An automobile accident which might have resulted seriously occurred Tuesday afternoon to Dr. Hines and family when about two miles out of Portland in the new automobile purchased by the Doctor. A pin which holds the nut and the axle was missing which caused a wheel to come off. A sprung axle and broken brake was the amount of damages, but had the machine been traveling at a high rate of speed, serious injuries to the occupants would likely have resulted.

Captain Peters, John Baldwin, Will Sparks, Loren Watkins and others in South Park are trying the oil sprinkling system of keeping the dust down. The work began yesterday and is in charge of M. Munkers, his method being to first sprinkle the street with water, and then apply the oil by means of a flower-pot sprinkler. The Press man remarked that it seemed a crude way to apply the oil, but the man behind the sprinkler replied that it was crude stuff that he was using.
