CHICAGO IS SECOND CITY.

Population Almost Doubles in 20 Years—Fourth in World.

Washington—The population of Chicago is 2,185,283, an increase of 486,708 or 28.7 per cent as compared with 1,698,575 in 1900.

This announcement leaves Chicago ranking in population as the second city of the United States and the fourth in the world.

Chicago has almost doubled its population since 1890, when the figures were 1,099,850. Its greatest growth during that period was between 1890 and 1900, when there was an increase of 54.4 per cent.

Its increase in population during the last decade was not so great proportionately as that of New York, the rate of increase being 10 per cent less than that scored by the Eastern city. New York is yet ahead of its closest rival by 2,581,550.

Chicago, however, can claim distinction in having jumped from sixth to fourth place among the big cities on the globe. It is following on the heels of Paris, whose population by its census in 1901 was 2,714,086. Chicago takes precedence over Tokio and Berlin by close margins. According to the census taken in each of the two cities in 1908, Tokio had 2,085,160 and Berlin 2,040,148.

The population of New Orleans is 339,075, an increase of 51,971 or 18.1 per cent as compared with 287,104 in 1900. While New Orleans' growth the last decade was only slightly below her percentage of increase of the decade, the Crescent City through the rapid growth of other cities in the 100,000 class loses its position of 12th in the district of the country's largest cities and now occupies 15th position.

Detroit, with a 63 per cent increase, Milwaukee, with 31 per cent, and Newark, with 47.2 per cent, all have jumped ahead of New Orleans in the number of inhabitants.

Holyoke, Mass., has 57,730 people, an increase of 12,018, or 26.3 per cent as compared with 45,712 in 1900.

Lowell, Mass., has 106,294 people, an increase of 11,325, or 11.9 per cent as compared with 94,969 in 1900.

Pittsfield, Mass., has 32,121 people, an increase of 10,355, or 47.6 per cent as compared with 21,766 in 1900.

UPRISING IS PREDICTED.

Professor Ross Expects Disturbance in China.

Victoria, B. C.—Professor E. A. Ross, of the sociology department of the University of Wisconsin, who has been making extended journeys through China during the past six months, studying sociological conditions, has arrived here by the steamer Empress of China. He said China was on the verge of a crisis, and the next few months would show whether there would be a great uprising, perhaps with much bloodshed, or a peaceable revolution.

Professor Ross says there is a strong movement for reform, and that the younger element seeking the change is waiting to see what the prince regent will do. The reformers consider the attitude of Pekin more or less a sham to impress the powers and there is a disposition to look upon the Manchu officials as obstacles in the way of the eagerly sought reforms.

It is probable that Yuan Shi Kai will return to Pekin, and this would be the means of preventing a rising if the reformers are satisfied that in his hands China would go forward. Currency reform will be a great boon, and the doing away with the growing of opium, a movement which is being energetically carried out, will also greatly aid China.

Judge Calls Fee Too High.

Los Angeles—Judge Rives, of the probate court has refused to lend judicial approval to a contract granting attorneys for Beatrice Anita Turnbull-Baldwin, 50 per cent of the amount they may recover from the estate of Elias Jackson Baldwin. Attorneys acting in behalf of Miss Turnbull-Baldwin, made the request for such a contract to authorize the employing of certain attorneys, with the agreement to give them half of whatever should be recovered by litigation or compromise.

Shadowed Three Years.

Chicago—George W. Fitzgerald, a former assistant teller in the Chicago Federal subtreasury, was arrested by deputy United States marshals, charged with the theft of \$173,000 from the subtreasury on February 9, 1907. Fitzgerald was arrested on a bench warrant on an indictment returned secretly by a Federal grand jury February 17, 1910.

Russia and Turkey Allies.

Paris—The Temps confirms the report that Turkey and Russia have entered into military alliance, and says that the convention indicates Turkey's approachment with the powers in the triple alliance.

FLAG SALUTED BY OLD RIVALS

Union and Confederate Veterans Mingle at Atlantic City

"Dixie" Arouses Cheers—Movement to Unite Grand Armies to Eliminate Sectional Feeling.

Atlantic City, N. J., Sept. 20.—The hotels, piers and board walk are crowded with old soldiers and their families here to attend the 44th annual encampment of the Grand Army of the Republic. Every train brings reinforcements to the crowd that began arriving last week.

Five thousand veterans gathered in the Savoy theater and listened to a patriotic sermon by the Rev. Robert A. Elwood, chaplain of the department of Pennsylvania.

Commander Van Sant and Hilary A. Herbert, of Albany, ex-secretary of the navy and a general in the Confederate army, were the principal speakers at a large gathering of veterans on the steeplechase pier.

General Herbert eulogized the members of the Grand Army. He told how the wearers of the blue and the wearers of the gray were welded together in the cause of the Union.

Commander-in-chief Van Sant and General Daniel E. Sickles both said they would work for the proposition advocated by General Herbert, of bringing the grizzled veterans of the North and South together. It is believed that this demonstration of feeling will end the agitation against the placing of a statue of General R. E. Lee in Statuary Hall at Washington.

A remarkable scene occurred with the entrance of General Sickles. As he swung down the aisle the veterans arose as one man and four of his command lifted him, chair and all, and placed him on the platform while the band played "Dixie" and the crowd cheered as General Sickles grasped the folds of a huge silk flag, with Commander Van Sant, General Herbert stepped up and said:

"Had I been told when I was in Antietam that in the years to come I would stand side by side with Federal soldiers and grasp the Stars and Stripes with love, I would have been insulted. But I love that old flag now."

Commander Van Sant said he was proud of the fact that no American army ever surrendered to anything but an American army.

A ripple of applause greeted the mention of Colonel Roosevelt during the Grand Army leader's address. The name of President Taft was mentioned.

NEW NAVY FOR CHINA.

Entire Fleet of Battleships May Be Built on Coast.

San Francisco—A fleet of battleships for the Chinese navy is to be built in San Francisco. Millions will be spent here in the purchase of supplies and for the living expenses of thousands of workmen needed to turn out the gigantic order, if the efforts of some of the foremost financiers of this country are crowned with success.

This is the purpose of a visit which Charles M. Schwab, ex-president of the United States Steel corporation and owner of the Union Iron works and other large plants, is to pay to this coast.

The big financier is hurrying across the continent in his private car to meet Prince Tsai Hsun, uncle of the emperor of China, who is due to arrive on the steamer Manchuria. Schwab and his party, which comprises prominent steel magnates, will accompany the Chinese imperial party to Washington.

Ward Workers Unionized.

Milwaukee, Wis.—One of the first unions of city employees in the country was organized here by ward workers of the Seventh, Eleventh, Twelfth and Fourteenth wards, and sponsored by Socialist municipal officials. There were 30 present, waterwagon drivers, ward teamsters, steam roller men and street sweepers. There was some suspicion on the part of the wardworkers as to what position they would be in if the present administration should be ousted at the next election two years hence.

Cattle Firm Indicted.

Sacramento—A special to the Union from Carson City, Nev., says that the Federal grand jury has found an indictment against the Golconda Cattle company, of Nevada, of which William E. Kent, Republican candidate for congress from the Second district of California, is president. The charge is illegal fencing of government land.
