Furniture Needs Never Look Old

I might wear out my tongue telling you why my varnish is cheaper than adulterated and then not convince you.

But one trial will make you sorry you had not known of it years ago.

Flows out perfectly—no brush-marks—no "runs" no "laps" and no "patches"—and costs only half a cent per square foot.

Any one who can afford to have furniture can afford to keep it from looking old.

Call at Geo. G. Paterson's he will be glad to tell you all about it.
