PUBLIC SCHOOL NOTES

More new pupils arrived this week.

Parents and teachers meeting next Friday evening.

We have lost one family from our school by their removal to Portland.

The next "County Teachers Association" will meet at Cornelius on Saturday, Dec. 10.

The School Band is doing very well and had their practice at the home of S. A. Moulton this week.

So much rain recently has put a damper on basket ball, but hopes are entertained that there will be a play spell.

Some of the manual training boys are working on material for school use. Two of the furniture manufacturers (Chas. Staley and Ivan Marquis) presented a type writer table to the office this week.

The children and parents have done well their part in gathering material for the "Baby Home" and "Boys and Girls Aid" of Portland. Almost a ton of material was sent of which a following is a part: 180 qts. canned fruit, 3 sacks of potatoes, 5 boxes of apples, 30 gal. of kraut, 25 glasses of jelly, several sacks of pumpkins and squashes. Also dried fruit, canned goods, and a large box of good clothing, cloth, etc. This will surely make some hearts glad, and we know it has made many happy to give to the needy.

Lincoln School Notes

Thursday is library day.

First grade pupils are modeling with clay.

Each room gave a short Thanksgiving program Wednesday.

The 2nd and 3rd grades have collected twenty one variety of seeds.

The pupils found great pleasure in giving to the Children's Home of Portland.

A class for those who need extra help has been organized in the 4th and 5th grades. They meet from 3.30 to 4.00 o'clock.

The 7th and 8th grades have organized a Literary Society for self improvement and will give a program on Friday p. m. of every second week.

We should be pleased to have parents and all interested, read this column each week and to be in touch with our progress thru-out the school year.
