## PUBLIC SCHOOL NOTES

Subscribe for the Press

Teachers Meeting at Cornelius next Saturday.

Some of our High School students attended the Farmer's School Tuesday and Wednesday of this week.

L. J. Corl has just completed the school census. 337 boys and 389 girls are located in school District No. 15.

The Manual Training boys are working hard to get some pieces completed for the first display which takes place in a few weeks.

Miss Greer, Dean of School of Domestic Science and Art, gave a very instructive talk before the pupils of the High School Thursday morning.

The Senior department of the Domestic Science class will entertain the School Board and High School teachers at dinner at the home of A. G. Hoffman on Friday evening, Dec. 16.

The first Basket Ball game of our season will be played by our second team at Banks next Friday evening at 8 o'clock. A crowd of young people will go along to see the game.

The pictures for the school that were made possible by the art exhibit have been ordered and will be here in a few days. The amount came to over one hundred dollars, list price.

The School Band had a very pleasant practice at the home of S. A. Moulton last Wednesday evening. The boys are doing their best and are surprising the people by being able to play

some already. After giving the Moulton household the full supply of discords and noise the boys were treated to a sumptuous lunch which was daintily prepared and served by the hostess, assisted by her boys.

Paul Griffith carried mail on Route 2 Monday and so missed school for a day.

The county examination for eighth grade students will be held January 19-20.

The Sixth Grade pupils are doing some very commendable work in drawing and charcoal.

Our basket ball boys are doing some good work and expect soon to be ready for some games with neighboring schools.

The parents and teachers meeting last Friday evening was a decided success. Many questions of interest were discussed, the best of feeling was observed, and a determination to help each other seemed to be the prevailing idea.

The enrollment of the school has reached 516. The attendance last month was very good but too many tardy marks are in evidence. The two rooms having the fewest tardy marks are, Miss Scroggs room and Miss Martins room, each having one tardy mark. Four rooms had but two tardy marks each which is splendid, but the high room spoiled all by bringing in a score of 34 tardy marks. It seems like a disgrace on the high school to think that primary pupils are able to be so much more prompt in their attendance.

Buy your Xmas gifts at Shearer's Jewelry Store. An excellent assortment to select from. 5-3t

### Fellow Teachers:

The Washington County Teacher's Association will hold its next meeting at Cornelius Saturday, Dec. 10.

There are now about forty teachers enrolled as members, but it is earnestly desired to enroll every teacher in the county.

This association was organized for the sole purpose of helping the teachers of the county, and through them to improve the schools and general school condition throughout the county.

Join us, help us, and let us help you. Cordially,

V. V. WILLIS,  
Pres. Asso.

A party in honor of the thirteenth birthday of Willard Hines was given at the residence of Dr. and Mrs. Chas. Hines Tuesday night. A large number of young folk were present and enjoyed a delightful evening.
