What Will YOU Do At 50?

Have you ever thought what will become of you when your earning capacity is waning?

At 50 will you still be working for a low wage or enjoying a good income?

That depends upon what you are doing HOW to secure the training that will steadily advance you in position and salary during the coming years. Only training will put you in the income class.

To learn how you can receive this training without giving up your present occupation, let the International Correspondence Schools advise you. All you have to do is to mark the coupon as directed and mail it today. There is no charge for this advice. No matter who you are or what your present occupation is, the I. C. S. has a way of helping you. It is an institution of experts—experts in helping poorly paid men succeed. Only your spare time in your own home is required. You do not lose an hour of work or a dollar of pay. This coupon is the greatest opportunity in the world for you to secure a happy, prosperous, and successful life, for it is an opportunity offered by an institution backed with a capital of six million dollars, whose sole business for 17 years has been to provide ambitious men and women with salary raising training.

Don't neglect practical opportunities for promotion. Mark and mail the coupon NOW.

INTERNATIONAL CORRESPONDENCE SCHOOLS

Please explain, without further obligation on my part, how I can qualify for a larger salary and advancement to the position before which I have marked X.
